A glance at a cake of Gold Soap will show you that it is unusually large. Actual comparisons will show that it is bigger than any other cake of laundry soap at the same price. This big cake of Gold Soap is heavy, solid,—it wears away slowly and evenly, lasting longer than ordinary soap. It is made only from the choicest materials suitable for laundry use,—it goes farther than ordinary soap. A single trial will convince you that Gold Soap is the best and most economical yellow laundry soap that you can use.

Gold Soap is made in the Procter & Gamble Factories at Hamilton, Canada

CALL ON POLICE TO HANDLE
HAMILTON HOCKEY
CROWD

Hamilton, Mar. 3.—There was a small-sized riot this evening at the sale of seats for the Tiger-St. Patrick's hockey game next Wednesday evening. Although the line started to form before noon, and stretched for blocks,

there was but one policeman to keep things in order.

Soon after the wicket opened at 7 o'clock the crowd rushed the line, and when a squad of constables were called they had to use their batons before they could restore order. Some of those who stood longest in line were unable to get the coveted tickets, which were all soon disposed of.

MICHIGAN FIRST

The name of the new baseball league organized by "Knotty" Lee is the "Michigan-Ontario," not "Ontario-Michigan." The matter was voted on at the Saginaw meeting and Ontario lost by one vote. The name Lower Lake was suggested, but the Boards of Trade in the various cities concerned expressed a preference for a name including the State and the Province.

Open Fishing at Bridgeport

Yesterday saw the two famous twin-city lake slingers, Gies and Tom, open the season at Bridgeport; they watched the ice break and immediately cast.

Although they toiled all day and caught nothing, this establishes a record for early open fishing; not for many years, said Tom, have we cast at such an early date.

Fire Truck Makes Speedy Trip

An alarm turned in at 8.30 this morning brought the truck and team down King Street in record time. Hessener's Shoe Store was the source of the alarm. Soot in the pipe from the furnace having caught fire, caused much smoke but little blaze, and inside five minutes the men were home again.

The Breaking up of the Grand River Ice.

Owing to the mild weather and rain today, the ice of the grand river will be gone by to-night or tomorrow. The water has already risen considerably and will probably reach the climax soon after the ice has come down.

Pleasantly Surprised.

A pleasant surprise and an enjoyable evening was spent at the home of Miss Florence White 65 Tuerk St. when thirty of her friends gathered the occasion being her birthday. The evening was spent in games and dancing. Miss Mabel Smith read the address while Mr. Gordon Kalbfleish presented her with a beautiful golden wrist watch the token of her friends. The address was as follows:

"This being your birthday we your small but big hearted friends will not allow this opportunity to slip by without showing you the esteem which you are held among us so we ask you to accept the gold wrist watch. And may every minute be a link in our companionship so one and all wish you many happy returns of the day."

A dainty lunch was served. They parted in the wee hours of the morning tired but happy.

Keep Up Efforts

An effort to secure Federal work on the improvement of the harbor at Port Dover is being made by Mayor MacBride, who waited on Hon. Frank B. Carvell, Minister of Public Works, Ottawa, in an endeavor to have something done this year. A deputation from Brantford waited on the department last week, but got little satisfaction, the feeling of the members of the deputation being that the Government could not afford this year to set aside the needed moneys. Afterwards Mayor MacBride arranged an interview with the Minister, and it is hoped that action will follow this.

THE BIBLE MEETINGS STILL GO ON

The congregation at the Pentecostal Assembly Hall, Scott Street, has persuaded Evangelist Chambers to remain with them a few nights; meetings too good to close, crowds too large to disappoint. The Evangelist intimated Sunday night he may speak on the Coming Crash to-night but left it optional with himself, Wednesday night he will speak on Water Baptism, its essential place in the Church and its mode after which he will administer baptism to all who may desire the same. Service each night 7.45. Come early.
