Special Notice.

Mansion House House, Baltimore, MD., Mansion House Horne, Balerinone, MD, 20th October, 1871.

Mr. Jamis I. Fellows—Dear Sir: I have just mished the tenth and last bottle of your estimable yrup of the Hypophosphites. To its use I ascribe essation of cough, of sharp paius in my back and hest, and of copious expectoration; also, return of ppetite, buoyancy of spirits, increase of flesh and trength to perform my daily duties with a degree f pleasure unknown to me for a long time. The cood I have experienced from it is beyond description, and I advise all persons afflicted with conumption not to delay a day in taking it. Feeling ure that were it not for your Hypophosphites, I rould now be in my grave. uld now be in my grave. Yours truly, GEO, C. FOUT.

NEW-YORK TRIBUNE.

1873.

Now, as heretofore The Taim we strives to be first of all and preeminently a stres pap r.

France a Republic --England and Germany gradually permeated with Republican dieas-Spain swaring in the irveless grasp of a ruler too good for a King and toweak for a Republican, who is unable to govern the great island that blocks the entruce to our Gulf of M. suco and equality unable to give it up—the German-speaking peoples agitad d by a new Protestantism separating from the Sec of Rome on the d gma of Papa! Infallial idity and assuming to recognize 'tio.'' Old 'a thelice'—he whole Continent pervaded by the intellectual ferment that conces of the conflict between old ideas, philosophical, theological, material, and the advance of physical Science-Russia and Great Britain unning a race for the nal gains that shall determine Asiatle copremacy-China scening ready to abair-ton her advances and reclose her half opened gates-Japan abolishing feudalism and instituty Western continents and the wires under all Seas are daily bearing outs. With able and frusted correspondents in the leviding cipitals, and wherever great changes are in progress, The Turnuys aims, at whatever cost, to lar before its readers the most prompt, complete, and popular presentment of these diverse and conflicting university. The truly is a finally trust, the toiling masses are everywhere struggling up toward larger recognition and a brighter nature.

At home the struggle for freedom scenus over. The last slave has long been a citizen, the last opposition to eman institute, endanced. No party, North or South longer despite the result of the War for the Union; all declare that these results must never be undone, and, with a whole people thus which on the grand platform of All Rights for All, whereto our bloody struggle, and the prolonged civil contests that followed, lawe let us, the lepublic closes the eccords of the bitter, hap full ever pointical leaders may say, whatever officers may do; sfarly set down in its columns, whether this news helps or binders

an honest statement of the facts; and this they always 8°t.

THE WFERLY THIBUNE, now more than thirty years old, has end-awared to keep up with the progress of the age in improvement and enterprise. It devotes a large share of its columns to Azriellture as the most essential and general of human pursuits. It employs the ablest and most successful cultivator set forth in brief-ciear essays their practical views of the Farmer's work it reports public disscussions which elucliate that work gathers from every source agricultural news, the reports of the intest successes and fallures, and whatever may tend at once to better Agriculture and to commend it as the first and anostimportant of progressive Art, based on natura science.

better Agriculture and to commend it as the first and nost important of progressive Art, based on natura science.

The Weffiny Taibune appeals also to Teachers-Students, and persons of inquiring minds, by the character of its literity contents, which include reviews of all the works proceeding from the master minds of the old or of the New World, with liberal extracts from those of especial interest. Imagnative Literature are claim attention; but in a subordinatedegree. "Home interests" ac discussed weekly by a lady specially qualified to instruct and interesther own sex, and the Younger portion of the other. No column is more eagerly sought or persued with greater average profit than hers. The News of the Day, elucidated by brief comments, is so condensed that no reader can deem it diffuse, while given sufficiently indecal to satisfy the wants of the average reader. Selections are regularly made from the extensive correspondence of Thir Dally Thindus from the extensive commends itself to Milions, by ministering to their intellectual wants more fully than they are met by any other journal, while its regular reports or the Cattle, Country Produce, and other Markets, will, of themselves, save the farmer who regularly notes them far more than his journal's price.

For the family circle of the educated farmer or artisan, Thir Werkin Thinnuse has no superior, as is proved by the lundred of thousands who, having read itsfrom child-hood, stil cherish and enjoy it in the prime and on the down hill of life. We respectfully urge those who knew its worth to commend Thir Werkin Thinnuse to their friends and neighbors, an we profifer it to clubs at price which barely pay the cost of paper and presswork.

Leriodiculs, &c PROSPECTUS FOR 1873---SIXTH YEAR.

"THE ALDINE,"

An illustrated Monthly Journal, universally admitted to be the bards most Peri dis at in the world. A Representative and Champion of American Taste

Not for Sale in Book or News Mores.

THE ALDINE while bound with all the regularity, has none of the temporary of it neb index teh racteristic of ordinary periodic ds. It is an eligible model in the policy light and gase off it taken, and a collection of pictures the racest spectoners of after the lift, in black and white. Although each since ealing 1 timber affords a fresh pleasure to its fire als the red walt, and beauty of THE ADI INE will be metapper rated after it has been bound at the class of the year. White other publications may claim superior chapters, as compared with it will be a shull at the THE ADINE is an ineque of d and original concept of allowing and after speaked and original concept of a proper of the price of the temporal behavior of the publication of the price of the state of the price of

ART DEPARTMENT.

Notwithstanding the incre sein the price of subscription last fall, when FHE ALDINE assumed it present mobile proportions and representative chracter, the edition was more than double during to past year proving that the American public appreciate, and will support a single client in the cause of Art. The publisher, and some client in the cause of Art. The publisher, and stone to pastify the ready confidence thus demonstrated, have exerted themselved the nature at otherwise demonstrated, have exerted themselved the nature at develope and improve the work; and the plans for the coming year, as unfolded by the monthly since will actually even the most sanguing friends of THE ALDINE. The publishers are authoused to annuance designs from hamy of the most entinent artists of America. In addition, THE ALDINE will reproduce examples of the best foreign masters, selected with a view to the highest artistic success, and great's teneral interest avoiding such as have become familiar, though photographs, or opies of any kind.

The quarterly thirted plates, for 1873 will reproduce four of John Davis' inmittable childs-ketches, appropriate to the fight, seasons. Thisse plates, appearing in the issue for January, spril July and October, would be alone worth the price of a very subscription. The popular features of a copiously illustrated "Christians" number will be contioued.

To possess such a valuable epitome of the art world at a cost so trilling, will command the subscriptions of a thousand in every section of the country but, as the usefulness and attraction of THE ALDINE in a subscription of the supporters, to publisher proposes to make "assurance double sure," by the following unparalleled effort.

PREMIUM CHROMOS FOR 1873.

Every subscriber to THE ALDINE, who pays in advance for the year 1873, will re elve, without additional charge, a pair of beautiful chromos, after J. J. Hill, the endment English painter. The pictures, certified, "The Village Belle," and 'Crossing the Moor," are 14 x 20 inches—are printed with 25 different plates, requiring 25 impressions and tints to perfect each picture. The same chromos are add for \$30 per part at the art stores. As it is the determination of its conductors to keep THE ALDINE out of the reach of competition in every department, the chrome a will be found corresponditely adhead of anything that can be offered by other period-cais. Every subscribes will receive a certification over the signature or the publishers, guaranteeing that the chromos delivered shall be equal to the samples furnished the agent or the monoy will be refunded. The distribution of pictures of this grade free to the subscribers to a five dolar periodical, will mark an epoch in the history or Art, and, considering the unprecedented cheapiess of the pice of THE ALDINE itself, the marvel falls little short of a miracle, even to those best acquainted with the achievements of inventive genius and improved mechanical appliances. (For illustrations of these chromos, see Notember Issue of THE ALDINE

THE LITERARY DEPARTMENT

will continue under the care of Mr RICHARD HENRY STODDARD. assisted by the best writers and poets of the day, who will strive to have the literature of THE ALDINE always in keeping with das attistic attractions. Terms.—\$5 per annum, in advance, with Olf Chromos. Irec. THE ALDINE will, hereafter, be obtainable only by subs. rl.-tion. There will be no reduced or clubrates, cash for subscriptions must be sent to the publishers direct, or handed to the local again tellowal responsibility to the posterior subscriptions are subscriptions with the control of the control of the local again tellowal responsibility to the posterior subscriptions are subscriptions.

"Unquestionably the best sustained work of the kind in the World "

HARPER'S MAGAZINE

Notices of the Press. The ever-increasing circulation of this excellent monthly proves its continued adaption to popular desires and needs. Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudice or depraced tastes.—Bodon Globe.

The character which this Marvine posteroes for me

The character which this Mag-zine possesses for variety, enterprize, artistic wealth, and literary culture that has kept pare with, if it has not led the times, should cause its conductors to regard it with justifiable complacency. It also entities then to a great claim upon the public gratitude. The Magazine has done good and not evil all the days of us life.—Broo-lyn Kagle.
