JAMES L. GRANT & Co., of Ingersoll, have
now the capacity to kill 1,000 hogs per day.

THE rails are laid on the Orford railway
from Lawrenceville to Eastman, and it is
promised that trains will be run regularly this
winter.

APPLICATION for the incorporation of the
Kittelman Wire Fence Company, of St.
Thomas, with a capital of \$10,000, was noted
in Saturday's *Canada Gazette*.

THE railway between Lachute and St. An-
drews has been inspected; the Quebec en-
gineer reports that trains may be safely run
over it at the rate of 20 miles an hour.

A LONDON merchant has just received a
registered letter from Montreal containing \$100
due on a debt of \$135, contracted at Cornwall
in 1868. This is the third amount he has
similarly received during the past month, and
which he considered as lost.

SAMPLES of marble are on view in Halifax
from new veins recently laid bare on its pro-
perty by the Bras d'Or Marble Company,
limited. The variety known as the dark blue
granite marble is very valuable for finishing
purposes. Several New York architects have
been enquiring for this marble.

THE Southern Pacific gives the following
excellent advice to its agents and other em-
ployees: "In dealing with the public, it is
often necessary that you should observe much
patience and self-restraint, always endeavoring
to follow the dictation of good sense and
prudence in order that you may make the
most favorable impression upon your patrons.
Treat them as any other good business man
would deal with his customers, with the view
of making the road popular."
