

THE FUNNEL CITY

Hazelton—

Where the Grand Trunk Pacific Railway pierced the Coast Range on its way to the Pacific, shrewd financiers knew a great city would be located.

The official announcement of the location of this point has been made.

The freight and passenger station sites have been selected.

The logical and geographical location is HAZELTON.

The great undeveloped natural resources tributary insure a rapid growth to this City of Tomorrow.

\$100 to \$300 buys a lot, with easy payments; only \$10 down and \$5 per month, and liberal discounts for larger cash payments.

A Free Booklet

about Hazelton and the wonderful country surrounding it—waiting for the thousands of settlers that will come—beautifully illustrated and full of authentic reports on its natural resources—all this is yours FREE for the asking.
