

“This is the
Range
I Use--the
**GURNEY
OXFORD**”

When a range is recommended by one woman to another, it has met the final test.

The staunchest friends of the Gurney-Oxford Range are those women who have experience with it day in and day out. They know how dependable it is; they know that no other range gives such constant and unvarying satisfaction, not simply in management and economy, but in cooking results.

The Gurney-Oxford works constantly for its owner's peace of mind, and it supplements her efforts to make each meal one of absolute satisfaction.

Every woman who has had experience with the Gurney Economizer cannot help telling her friends the satisfaction of being able to regulate the fire by turning up or down one small lever. She tells about the flues that make and keep the oven always evenly heated, but above all she is enthusiastic about the golden brown biscuits, the light delicious bread and pastry, the roasts and fowl done to the queen's taste, that her Gurney-Oxford turns out.

The Gurney-Oxford owes its popularity to the recommendation of those for whom it works.
