

P.S. On Wednesday the 17th Mr. Nakamura
will take you to the Fuji Colter Spring
mill on the foot of Mount Fuji

at 6 PM. just for dinner.
T.H.

met all my daughters
as well as my son
in law. The young-
est son of the Great founder
of the family. The garden
itself 300 years old is
worth visiting. You
can drive up to the
garden (Bun Inasaku's garden
at Fukagawa. 5 miles from
Hus. Embassy) after the
luncheon, as the party
would not leave the
place until 4 P.M.

Both Friday and
Saturday we will try
to pull you across (to
show you our apprecia-
tion of your visit to Japan
however short it be).
Sincerely
T. Nozue
