Mr. Arthur Meighen,
Canadian General Securities,
Bank of Montreal Building,
Toronto, Ont.

Dear Mr. Meighen,

I have often wondered how you were getting along but have not written because I have been busy job hunting. But this morning an article I sent in to the New York Herald Tribune was run on its editorial page, ~~mk~~ and I thought you would be interested in seeing it.

Mr. Lawrence Hunt, his usual kind and thoughtful self, phoned me this morning, enthusiastic about the article. He has been a bulwark of friendliness and I am happy at your letter of introduction to him.

He sends his warmest regards and asked me to say that he intends to write you very soon.

I hope the book has been going well and when I get what I am looking for will take a visit to Toronto and drop in to say hello.

Sincerely,

Gold
