Ottawa, July 21, 1913.

Sir,-

Miss McErand, teacher of the Tobique Indian School, has written to the Department suggesting that two rooms be secured in an Indian home and furnished for the use of the teacher, as she cannot any longer take advantage of the accommodation previously afforded in the home of the missionary.

Be good enough to let the Department know at once if two such rooms are available and state what would be asked and submit a list of the furnishings required with an estimate of their cost.

Your obedient servant,

Asst. Deputy and Secretary.

S. P. White, Esq.,
Indian Agent,
