Ottawa, March 24, 1920

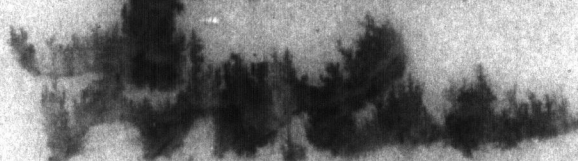

Sir,-

I have to acknowledge the receipt of recent reports on the Spanish Industrial School and the Garden River Indian Day School.

Your remarks regarding both these schools have been noted.

From the statement of your expenses the Department presumes that you only spent one half day at Spanish River. If so, it is considered a rather short time to make a thorough inspection of the class-room work and the buildings. It is hoped that in future you will arrange to make a longer visit.

Your obedient servant

Assistant Deputy and Secretary
