

## Benefits During Lifetime.

The financial benefits to members will during lifetime are threefold.

1st. Free medical attendance at the medicine the moment you are accepted a member.

2nd. In case of sickness, benefits will be the rate of three dollars per week for 13 weeks, and at the rate of one dollar and fifty cents per week for 26 weeks.

3rd. Funeral benefits on the death of a wife.

## The Option.

An important change made at Grand Lodge, 1898, was that of an "option" whereby members of the Order can take either "Sick and Funeral Benefits," or "Beneficiary Insurance," a half a year claim

The initiation fees for members entering the Lodge for Sick and Funeral Society Benefits only will remain the same at one dollar at present. Those entering for Beneficiary only will pay an initiation fee of \$3, of which 50 cents will be registered with the Grand Lodge and \$2.50 to the Subordinate Lodge.

The Society now offers to all persons interested in fraternal societies just exactly what they want. If they desire Sick and Funeral Benefits only, they can have them. If they wish insurance, only they can obtain it, upon equal terms with any other fraternal society. Record but with the additional and inestimable advantage of joining in the enjoyment of the patriotic and national privilege.
