

that the insects can at least be held in check until the stronger washes of the dormant season can be safely applied.

11. Boxes, crates, or other packages or wrappings shall be disinfected by dipping the same for five minutes in boiling water containing not less than one pound of concentrated lye to every five gallons of water.

12. Where hop fields are infested with hop-louse, spraying must be done as shall be recommended by the Board.

PENALTIES.

13. Any person refusing or neglecting to carry out these regulations, or the directions given hereunder by any member or officer of the Board, or the agent of any such member or officer, and within the time fixed by any notice when the same is by law required, or otherwise evading these regulations, shall for each offence incur a penalty of not exceeding fifty dollars.

Horticultural and Fruit Growers' Societies are requested to work in harmony with this Board, and may, without expense to the Board, elect from their number one or more persons to act as local Inspectors or advisers, who shall report to the member of the Horticultural Board of the district in which such Society is located, or to the Secretary or Inspector of the Provincial Board, cases where the owner or person in charge of plants or trees which are infected refuses to obey the directions of the Society in carrying out the rules of the Board; also any other matters of importance to the interests of the Society.

By Command,

J. R. ANDERSON,
Statistician.

*Office of the Provincial Board of Horticulture,
Victoria, 10th April, 1894.*
