GUARANTEE

We guarantee our fence to be made from the best galvanized hard steel wire, both stay, line wire and knot, and to be the most perfectly woven fence on the market, and of full Government gauge No. 9 wire.

DELIVERY.—We have more capacity for manufacturing fence than any two of our competitors. We carry at all times a large and complete stock of fence, so that orders may be shipped the day they are received.

SATISFACTION.—Ask the man who uses Sarnia Fence if he is satisfied with it. He is not only satisfied with Quality, Price and Service, but he is satisfied that The Sarnia Fence Company is giving the farmers of Canada a square deal. When our Company started into the business the fence combine were charging exorbitant prices. Our Direct-from-Factory-to-Farm Policy cut these prices in two. When we are forced to advance our prices through increases in the price of wire we give notice of such advance in the leading farm journals, giving our customers a chance to buy at the low price. Thus we save the farmers of Canada thousands and thousands of dollars each year. They show their appreciation of our services by continuing to support our Direct-from-Factory-to-Farm Policy.
