COMBINATION COOKING STOKE

Have You Seen The

The only Coal Cook Stove on the right principle in America; the latest, and most economical, WHY?

Because it has five holes, three being directly over the fire; and it has a circular firepot, by means of which the fire need never go out, and the Oven is always ready for use. Every Stove GUARANTEED. Read one of many testimonials: Mr. Moses,—We have been using one of your Combination Cook Stoves for nearly two months, it has given us satisfaction in every way, is a GOOD BAKER, and the fire has never been out.
