THE COMPOUND INVESTMENT PLAN

Combines all the advantages of insurance and investment, and under it the Company guarantees after the policy has existed for ten years, if the insured so desires, to loan to him the annual premiums as they mature, thus enabling him to continue the policy in force to the end of the investment period. Should death occur after the tenth year the full face of the policy will be paid, and loan (if any) cancelled.

For agencies and territory apply to WM. McCABE, Managing Director.
