

## LIVE STOCK MARKETS. TORONTO.

Receipts of live stock at the City Market, as reported by the railways, were 80 carloads, composed of 1277 cattle, 752 hogs, 244 sheep 332 calves and 11 horses.

There were several lots and loads of good cattle, with many more of the common and medium classes.

Trade was again good, with prices fully as strong as at the Junction on Monday, when quality is considered.

Exporters—A very few export steers, weighing 1300 lbs, and over, sold at from \$5.75 to \$6; export bulls sold at \$4.25 to \$5 per cwt.

Butchers—George Rowntree, who bought 12 carloads of fat cattle, some of them export weights, for the Harris Abattoir Company, reports the following prices: Choice steers and heifers, 1200 to 1300 lbs each, \$5.70 to \$5.90; loads of good, \$5.40 to \$5.70; fair to medium, \$5.15 to \$5.35; good to choice cows, \$4.70 to \$5.25; fair to good cows, \$4.25 to \$4.60; medium cows, \$3.70 to \$4; canners and rough cows, \$2 to \$2.25; butcher bulls, \$4 to \$5 per cwt.

Feeders and Stockers—H. & W. Murby report few of either class on sale today, altho there is a good demand at steady prices. Mr. Murby bought two carloads at following prices: Good steers 1000 to 1100 lbs each, at \$4.75 to \$5 per cwt; good steers 900 to 1000 lbs each, at \$4.25 to \$4.75; good steers, 600 to 900 lbs each, at \$3.25 to \$5.90; light stockers, 400 to 600 lbs each, at \$3 to \$3.25.

Milkers and Springers—Receipts of milkers and forward springers, of good to choice quality, were not large enough to supply the demand. Desirable milkers and springers sold at from \$35 to \$55 and one or two were reported at a little more. Common quality light cows are not wanted and are slow of sale at \$25 to \$30 each.

Vcal Calves—Receipts of calves were liberal, the bulk of which were of the dairy kind. Prices remain about steady at \$3 to \$5.50 per cwt., with an odd new, milkfed calf going at a little more money.

Sheep and Lambs—Receipts light, with prices firm, as follows:—Export ewes, \$4.50 to \$5.50; rams, \$3.50 to \$4.50; yearling lambs, \$6.50 to \$7.75 per cwt; spring lambs, \$3 to \$7.50 each.

Hogs—Receipts light and prices lower. Mr. Harris quotes selects at \$6 per cwt, and lights at \$5.75 per cwt., and the market none too strong at that.

## HOLDING THEIR OWN.

A regiment of regulars was making a protracted, weary march along a heavy country road, and the men, eager for food and rest, were impatient to reach habitation.

A man on horseback rode past.

"Say, friend," called out one of the regulars, "how far is it to the next town?" "Matter of two miles or so, I should think," came the answer. And the rider vanished.

Another long hour dragged by, and then the soldiers came upon a laborer.

"How far is it to the next town?", they asked, eagerly.

"Good two miles!" said the laborer, and proceeded on his way.

Half an hour's farther marching brought them to a third wayfarer.

"How far to the next town?" they once more asked.

"Not far," came the encouraging answer. "Only two miles!"

Through the general atmosphere of depression rang the voice of an optimistic sergeant:

"March, boys—march for your lives!" he cried. "We're holding our own, anyway!"

J. A. JOHNSTON, Clerk.

An Alabama man, meeting an old dandy formerly in his service, put to him the usual question:

"Well, Jed, how are you to-day?"

"Tol'able, sah, tol'able!" cautiously replied Jed. "Ah'd be all right, sah, if it wa'n't for de rheumatism in mah right laig."

"Ah, well, Jed, we mustn't complain," said the questioner. "We're all getting old, and old age does not come alone."

"Old age, sah!" was the indignant protestation of Jed. "Old age ain't got nuthin to do wid it, sah! Heah's mah other laig jest as old, an' dat'sound an' soople as kin be!"

## THE STRENUOUS LIFE

PULLS SO HARD ON THE TUMMACH IT  
MUST HAVE HELP.

The stress and strain of the strenuous life in both city and country makes stomach troubles. Five people suffer to-day where one did ten years ago with sick headache, dizziness, flatulence, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness and the many other symptoms of indigestion. All who are suffering with stomach troubles, and that means at least two out of three in Mildmay and other towns should use Mi-o-na stomach tablets. Nothing else is as safe, yet effective; nothing else can be so thoroughly relied upon to relieve all troubles from indigestion as Mi-o-na.

So reliable is Mi-o-na that J. Coates, with every 50 cent box he sells, gives a guarantee to refund the money unless the remedy cures.

## FORTELLING THE FUTURE.

The little family group was gathered round the font, and the clergyman, about to officiate, felt called upon for remarks.

"No one," he began, "can foretell the future of this little chap. Who knows but that he may grow up to be a great general like Grant himself. Or, it may be, a world-famous scientist like the immortal Newton. He may become a soul-saving divine or a wisdom-breathing judge."

Then, turning to the fond mother, he added: "What name is the child to bear?"

"Matilda Mary Florence," was the reply.

## HARD TO ANSWER.

"Now, I want to know how long it will be before I get an answer to this letter?" a young lady demanded, with a tell-tale blush, as she handed the post-office clerk a communication addressed to her lover.

"That depends," said the clerk reflectively. "If he's in jail, they won't let him write once a week, and in some places only once a month, on Sundays. If he's dead broke he'll have to wait until he earns the price of a stamp, and I have no data on which to base an opinion of his earning capacities. If he's ill in bed, he may feel delicate about dictating his real sentiments to a cold, disinterested third person, and if it's small-pox they won't let him write at all. Then, again, if he's got a new girl—"

She didn't wait for the clerk to complete his catalogue of contingencies.

Ten settlers lost their houses and farm buildings by prairie fires in Leofeld district, Sask.

A vacant house, opposite the Methodist church, Port Elgin, was burned last Thursday night. The house was owned by Mrs. McLean of Arran and it is thought that the fire was of incendiary origin.

## CAUSE FOR ALARM.

EPIDEMIC INFLUENZA, GRIPPE, CATARRHAL TROUBLES, PNEUMONIA INCREASING

A marked increase in troubles of the breathing organs is noted in many localities. If you will only have Hyomei at hand to use with the first attack of Cold in the head, Pneumonia, Colds, Bronchitis, Hoarseness, Sore Throat, Croup, in fact any respiratory affection, the trouble will be quickly overcome.

If the attack is neglected and becomes severe, speedy relief will come in most cases and a persistent use of Hyomei will cure.

The directions for using it vary, but the principal is always the same, that of destroying all the germs in the air you breathe and having it reach the air passages with dry medication from the Pine and Eucalyptus forests.

Remember that liquids or moisture is barred from the Bronchial Tubes and Lungs. It's the dry air of Hyomei that reaches the spot. J. Coates guarantees it.

Complete outfit, \$1.

## MOIR ARRESTED.

Arthur, May 10.—Moir, the London murderer, was arrested on Saturday evening by Policeman Farrell and County Constable Coughlin of Arthur, about ten miles from this town, on the farm of Mr. Charles Robb, a leading agriculturist of Nicol Township.

He fully admitted his guilt, but claimed that at the time of the tragedy he was under the influence of liquor and knew nothing of the affair until he heard the newsboys announcing the tragedy on coming out of the Station Hotel at Stratford, where he had remained over Sunday night.

He then proceeded across the country landing in Elora on April 21, the day of the horse show and four days after the shooting, remaining there two hours. Learning that Mr. Robb was in need of a farm hand he went at once to his place and engaged with him.

About a week ago Mr. Robb suspected that he was the man wanted for the murder and got Dentist Wallace to have a look at him, and he, too, was convinced.

Officer Farrell received the tip from W. E. Draper, stage-driver between Arthur and Fergus, and at once proceeded to the farm and found Moir in the stable with Robb.

The police passed themselves off as horse-buyers and took the prisoner entirely by surprise, each taking an arm at the same time. It was only after a desperate struggle, however, that he was overpowered and handcuffed. On his person he carried a 32 calibre revolver attached to a concealed belt. The prisoner interviewed Barrister M. Wilkins of Arthur, who will take charge of the case.

After your potatoes are out of bloom mow the tops off, but not too close, and see if you don't have the finest and most bountiful crop you ever had. This is an Irish kink from a potato grower of Washington county. The idea is that the tops have done their duty after blooming. Try a few.

## Indigestion

Stomach trouble is but a symptom of, and not himself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend
