## ANDERSON REMAINS IN THE RINK

That there will be a three-cornered contest in South Bruce is now definitely assured. Negotiations with a view to having both the Liberal and Progressive candidates resign, and go to a joint Convention, were unsuccessful, the Progressive candidate refusing to accept the offer of Mr. J. G. Anderson to co-operate in this manner.

When an attempt was made at Paisley last Saturday to effect a saw-off between the Progressive and Liberal candidates in North and South Bruce. Mr. Anderson, considering that he had already gone over half-way in the matter of co-operation, did not favor the saw-off proposition, but upon receiving the assurance that he would without doubt be the chosen and acceptable candidate, he finally consented to attend. Finding, however, that he had been deceived, he felt it his duty to refer the situation to his executive. An emergency Executive meeting, held at Walkerton last Saturday evening, passed the following resolution:

1. That the Liberals of the Provincial Riding of South Bruce hereby express full confidence in Mr. W. E. N. Sinclair, the leader of the Liberal party, in the policy enunciated by him, also in Mr. J. G. Anderson, the party's candidate in the pending provincial election.

2. Further, that in our opinion the party of the Liberal Party is worthy of the confidence and support of all persons favoring clean government, and who believe that the Government should carry out the expressed wishes of the people.

3. Further, that we endorse our candidate, Mr. Anderson, in his action in offering to resign his candidature as Liberal candidate and that a Convention be called of all persons opposed to the Ferguson Government at which Convention a Candidate would be chosen and to whom he would give his whole-hearted and active support, and which proposition was rejected by Mr. McCallum, the Progressive candidate, although at first not objected to by him.

4. Further, we endorse Mr. Anderson in refusing to abide by the decision of an outside arbiter when he found that he had been misled and deceived into negotiation seeking to avoid a three-cornered contest and that the result of such negotiations had been prearranged.

5. We further earnestly and confidently solicit the support and vote of every opponent of the Ferguson Government for Mr. J. G. Anderson, the Liberal Candidate.

At a well attended meeting of the Liberal Executive held at Teeswater on Tuesday evening of this week, it was unanimously agreed that Mr. Anderson should remain in the field as the Liberal candidate in South Bruce.

Auction Sale. Auction Sale of Farm Stock and Implements at Lot 41, Con. C, Carrick, on Tuesday, November 23rd, at 1 o'clock sharp. John Darroch, auctioneer; Henry Schnarr, proprietor.

When crossing the bridge in the village, his car suddenly plunged through the railing, dropped several feet into the river, which at that point is ten feet deep.
