Mr. R. C. Cozford of Pembroke, in ions, but on our fitness. If we stand reply, pointed to the advantage the boys in the small town derive from meeting boys and young men from cities. The delegates had come togive all they could get all they

all they could get all they could, and carry away all they could. The small town and farm have a great duty to

Mr. H. S. Spencer of Picton, pointed out the benefits of the meetings, Dele-gates' duties are to form ideas and carry back ideas to their communities.

Mr. F B. Egleson, of Ottawa, also dealt with the opportunities of service of the older boys. The improvement of schools morality elevates the naconference are in individual improve-ment, the solution of difficulties, increased efficienty in Christian service and the impulse to build up the stan-

Alexander addressed a few words to the "boys" o. talents. "Put forth thy hard and take it,"

REV. E. W. HALPENNY

Rev. Z. W. Halpenny, Toronto, general secretary of the Ontario Sunday School Association, addressed the young men on Training—Wh, How and When." We are not really what we are, but our aspiration is our real self. Only God can say, "I am that I am." No man is at his best. If conditions, habits were not as they are or looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men, in the lowen the men are looking for the job. It is not the case of a job for every man. The job is looking to the men are looking for the job. It is not the case of a job for every man. The job is looking to the men are looking for the job. It is not the case of the men are looking to the young men's Christian Associations of Canada.
