he Country. An Epitome of Events ADVOCATE Reporters

BATHURST.

writer's place to take up all the matter referred to in Tecumseh's letter, as in 'Our snow has pretty well all disappear- spite of the information furnished him by ed, and travelling on wheels is again the the 'Silas Q. Scuddamore,' who thought order of the day. It is freezing hald he saw and heard so much, the writer is today however and the weather looks like not the author of the letter which appeared another snow storm, which now that the in the Advocate over the signiture of one forward such an argument. If the ground is hard and winter weather has of Mr. Turgeon's former friends. We Evangeline's correspondent had stated or really set in, would be very welcome.

The exitement of the week has been the that. killing of the mate Burns Mason, from the impression that the mew jail in Bathurst. This man has been a very quiet and exemplary prisoner ious prejudices, as he has been led to direpped their Protestant candidate in the member of the material of the material and say the writer had any desire to stir up religious prejudices, as he has been led to direpped their Protestant candidate in the member of the material since his incarceration. He has given no believe, and when he has read this letter trouble to the Sheriff, who is also the gailer, and has spent most of his time wish, and decide that we are just as the Catholics of Gloucester not to vote for him granding books and napore sent in the him when this discussion began.

Or Saturday morning when the servant who usually brings the prisoners their the Advocate he will see that only once, breakfasts came to Lyman's wicket she and that was when we were badgered into called him but receiving no answer, and thinking from the appearance of the bed in the dim light that he yet slept she went up-stairs again. Shortly afterwards she which has appeared in that newspaper we which are now in caution.

If Tecumseh has followed our notes in the Advocate he will see that only once, around and accuse the writer of insincerity. Now Tecumseh comes along and be honest which of us is the most sincere.

Another thing you mention, which really does not belong to this writer, but I may as well mention it. You claim that returned and again spoke into the cell, but were as sincere as we are now in caution. getting no reply she went upstairs and ing all concerned against such writings, are ported the matter to the Sheriff. The latter came down, and finding the locks in concerned against such writings, where as sincere as we are now in caution. The sheriff were as we are now in caution. The sheriff were as we are now in caution. The sheriff were as we are now in caution. The sheriff were as sincere as we are now in caution. The sheriff were as sincere as we are now in caution. The sheriff were as sincere as we are now in caution. The sheriff were as we are now in caution. The sheriff were as we are now in caution. The sheriff were as we are now in caution. The latter came down, and finding the locks, ing on our own account on the subject. have been searching the woods and roads all about the vicinity of Bathurst, and telegrams giving the full discription of the man have been sent all along the line and in every direction but so far there has been no arrest made, and it is scarcely it has been known to be composed of the been no arrest made, and it is scarcely it has been known to be composed of the scarce property of them are now from the time the party to which the writer has the honor to belong was founded in Gloucester it has been known to be composed of the supporting his ticket. In fact I think the supporting his ticket.

U

Basiness is rather quiet owing to the than the writer intended. bad roads and the consequent difficulty in getting about the country roads. While respondent at all he had no desire to the snow lasted everyone was busy, and it attack Mr. Curran merely because the

BUCKINGHAM'S DYE Whishers

know Tecumseh will take our word for implied what was not true why did not Mr. Curran come out in the Courrier and escape of the prisoner charged with the At the same time Tecumseh must not be deny the imputation. But for your reading books and papers sent in to him sincere at the present moment as we were by parties about the town does it not strike you as very ridiculous. On Saturday morning when the servant If Tecumseh has followed our notes in friends have done and then you turn

apparently all right, thought there was something wrong with the man. Unlocking the door he went into the cell, only to discover that the bird had flown. It took the Sheriff some time to excertain how the man with the sheriff some time to excertain how the man with the sheriff some time to excertain how the man with the sheriff some time to excertain how the man with the sheriff some time to excertain how the man with the sheriff some time to excertain how the man with the subject.

I claim here again Tecumseh, that you are insincere. You know as well as I do that many of Mr. Burns warmest triends came to him and begged him give Mr. Turgeon a chance. Mr. Burns himself the subject is the subject. man had got out of the Cell, but it was found he had filed the staple which holds the lock in a very neat manner, and after going outside rearranged the staple and lock so that without close examination one could not discover that the steple had been cut. Constables and special offices this in so many words, but that was the reason he did not run.

been no arrest made, and it is scarcely likely the man will be recaptured owing to the start he had before it was discovered he had gone. Of course there is not the slightest doubt but that someone from outside must have furnished him with a outside must have furnished him with a country of the start he start have start he had before it was discovered he had gone. Of course there is not the slightest doubt but that someone from outside must have furnished him with a country of the start he start have start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the start he had before it was discovered he had gone. Of course there is not the country of Cloucester? From its founder down every man that we signed by a number of gentlemen in Petit Rocher you will know yourself, Tecumseh whether they are or were friends of Mr.

We are now prepared for Fall and Winter trade the lest election.

slightest doubt but that someone from outside must have furnished him with a file to cut the staple, so far however there is no suspicion who furnished the files. Here is a chance for some of our local detectives to get their names up.

The first progressive whist party of the season was given by Mrs. Jacob White on Friday evening last and a large gathering of ladies and gentlemen enjoyed a pleasant evening's entertainmert.

The annual sale and supper held by the ladies of Saint Georges' Church last week was the most successful they have had for several years and the handsome eum of one kundred and sixty dollars was cleared. The funds will be welcome and used for the payment of the new furnace in the Church, which has been completed and gives general satisfaction.

Mr. John E. Baldwin, who has teen very ill for several months, is we learn today very low, and not expected to Mrs. A more broad minded lot of people could not be found anywhere. Tecumse his aware that when the late to people could not be found anywhere. Tecumse his aware that when the late to people could not be found anywhere. Tecumse his aware that when the late to people could not be found anywhere. Tecumse his aware that when the late senator Burns was alive he was surround to have the sale was the was surround to have the subject of mention and political life he never made the slight is friends on that account. It is sles well-known that wr. Burns' brother, our present representative in the Local House, is another man of the same class, and for Tecumseh's minimation we may say Mr. N. Burns afroid the writer to keep such things out of any provided and political life he never made the slight. Mr. Burns' brother, our present representative in the Local House, is another man of the same class, and for Tecumseh's minimation we may say Mr. N. Burns afroid by Mr. Turgeon have no confidence. With GOOD on the North Store of Nr. Turgeon have no confidence in the Evangeline and after having the writer to keep such things out of any political articles whic Miss Lefurgey the elocutionist is to assure you it is against our grain to have interests of this great county in the Provincial Assembly, but that the interests of this noble county in the Canadian Parlia-
