Letter from the Most Rev. Archbishop of New York.

New York, Feb. 7, 1865.

Drar Father Hecker:

I have read the Prospectus which you have kindly submitted of a new Catholic Magazine. to be entitled: "The Catholic World." which it is proposed publishing in this city, under your supervision; and I am happy to state there is nothing in its whole scope and split. The want of some such periodical is widely and deeply felt, and I cannot doubt that the Catholic community at large will rejoice at the prospect of having this want, if not fully, at least in a great measure, supplied.
