

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indecent. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge in modesty in his offer of FREE consultation by letter. His correspondence is held in the strictest confidence. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the female functions, cures pain and builds up and strengthens the health on every weak woman.

It makes Weak Women Strong, and Sick Women Well.

It is a safe and reliable remedy as a substitute for the usual medicine.

What School for My Daughter?

Mount Allison Ladies' College

BECAUSE

It is the Largest Ladies' College in Canada.

It is in a Healthy Town.

It Has Specialists for Teachers.

It Offers Literary Courses.

(University Graduates as Teachers)

MEETING OF CAMPBELLTON TOWN COUNCIL

The Resignation of D. T. Black, Town Engineer, Was Read and Accepted.

A meeting of the town council was held in the Council Chamber last evening. There were present His Worship Mayor Murray and Couns. Alexander, McDonald, Mowat, Miller, McLennan, Richards, White and Morris.

The minutes of the previous meeting were read and confirmed. The report of Auditor F. E. Blackhall was read certifying to the correctness of the Treasurer's books. This was placed on file.

Clerk read the resignation of Town Engineer D. T. Black, to take effect March 31st.

Coun. McDonald, chairman of the water and sewerage committee said that the engineer had notified him several days ago that he had been appointed engineer for the town of Welland Ont., and wished to be relieved at as early a date as possible. He (Coun. McDonald) was sorry that Mr. Black was severing his connection with this town, but glad that he was bettering his position. He moved that the resignation be accepted. Carried.

The School Board is asking that the town apportion a portion of the amount of guaranteed bond issue for school purposes. The Board requires about \$30,000 to build and equip a suitable building for school purposes. This was referred to the Finance Committee. Chief Hughes reported officer Brown had been suspended for insubordination and for using abusive language. Matter was laid on table.

F. Mann made application for suspension on police force.

The clerk read communications from the building committees of the Presbyterian and Baptist churches asking permission to build their various churches in wood. This was referred to the Provincial Board of Underwriters. The Chairmen of the several committees presented their reports, recommending payment of their several accounts. The annual report of the police and license committee was presented for publication. The report stated that the old police record book had been lately found and from details therein from 1st January to 11th July then from 1st Dec. to 31st 1910, the total number of arrests was 227.

The annual report of the Public Charities Committee was presented which stated that although the relief committee had taken a lot of work from the town on the matter of charitable assistance there were still two inmates chargeable to the town in the Provincial Hospital and other three persons in receipt of relief.

The Mayor trusted that the annual reports of the other committees would be ready for next meeting.

On the recommendation of the police and license committee it was agreed to refund to Mrs. N. R. Riddell a proportion of her Bowling Alley license fee.

Councillor Alexander in his report of the assessment committee recommended that D. F. Courts assessment be reduced \$167.09 that no reduction be granted N. R. Fraser, that J. B. Christopher's assessment be reduced \$500 and Alex Kerr's \$200.

This was agreed to. In the report of the public property and streets, Councillor Richards recommended that the application of Jos. Boudreau for public scales in Water St. be granted at a rental of \$1.00 per annum, on the understanding that they be removed on order by the Council at thirty days notice.

This was agreed to. On the motion of Councillor McDonald it was agreed to advertise in the "Montreal Star" and "The Canadian Engineer" for a Town Engineer to succeed Mr. D. T. Black. Councillor McLennan

DEPUTY MINISTER CAMPBELL IN MONCTON TOMORROW

Moncton, March 7.-Deputy Minister Campbell is expected here Thursday to attend meeting of the I. C. R. board of management.

Do you know that of all the minor ailments cold sore by far the most dangerous? It is not the cold itself that you need to fear, but the serious disease that it often leads to. Most of these are known as germ diseases. Pneumonia and consumption are among them. Why not take Chamberlain's Cough Remedy and cure your cold while you can? For sale by all dealers.

of the fire protection committee reported a grave shortage of hose and the absolute necessity of having chemical fire extinguishers. The committee were authorized to purchase 500 feet of hose and two lengths of suction hose.

Councillor Alexander asked a question re the grading of Andrew street. The town engineer produced a plan shewing a proposed permanent level of the street and it was remitted to the public property and streets committee to report on at next meeting.

The condition of O'Leary street was once more brought up, but after discussion and looking to the fact of the possible widening of the street it was left in the hands of the committee to act with the town engineer and report.

The School Board's request was then brought on. A great deal of discussion then ensued on the question of ways and means and town solicitor A. E. G. McKenzie, stated clearly the wants and the position of the Board, their ideas and intentions regarding school accommodation.

It was moved and seconded that the request of the Board for \$30,000 be granted, provision to be made in the legislation to be enacted so that any sum not used by the board would revert to the Council.

This became the finding of the council.

The case of the suspension of officer Brown was then taken up. The council felt very keen over this matter and thought they could not strongly enough stand to the chief of police. If chief Hughes was the head of the police then he was entitled to and would get the support of the Council. After the merits of the case had been discussed it was moved and seconded that officer Brown be re-instated provided he made full and ample apology to the chief. Motion was carried.

His Worship the Mayor, Councillors McDonald and Miller were appointed a committee to draw up a memorial for presentation to the I. C. R. Board of Management in conjunction with the Board of Trade.

The town solicitor was instructed to look after the interests of the town with regard to a request for legislation affecting the act of 1906, and if necessary to employ counsel.

This was all the business and council adjourned.

MEN WANTED

We want a reliable man in each locality to introduce and advertise our Royal Purple Stock and Poultry Specifics, and other goods, direct to consumers as well as to merchants. \$15 a week and expenses or commission. No experience needed. The largest advertised goods in Canada. Write at once for particulars.

This First Lesson in Economy

is not alone for children. Older heads take it to heart, and profit by it.

Thousands of housewives have proved the economy of using "Beaver" Flour for all baking.

DEALERS—Write us for prices on Feed, Coarse Grain and Cereals.
