

The Union Advocate

VOL. 44.—NO. 40.

NEWCASTLE, N. B., AUGUST 16, 1911

PRICE THREE CENTS

WILL SEND DELEGATES TO OTTAMA

Newcastle Board of Trade Will Send Delegates to the Capital.

Newcastle Board of Trade met in adjourned session Friday night, P. Hennessy, president, in the chair.

The Secretary reported having sent on the ninth the following telegram:

"A. W. Campbell, Esq.,
Chairman Managing Board
Canadian Government Railways
Ottawa Ont.

"We are instructed by the Newcastle Board of Trade to wire you as follows:—

"At a meeting of the Newcastle Board of Trade just held, members were surprised and greatly disappointed that no advice had yet been received from you that you are taking steps to meet the wishes of petitioners from Newcastle and up river sections to extend present local train service to Doaktown, involving only a trifling additional expenditure to meet legitimate trade requirements of these sections. An enormous expenditure has recently been made by your board to accommodate residents of Chatham, Newcastle and up-river sections therefore cannot understand why their business interests should continue to be seriously discriminated against by delay in consideration of such a reasonable business proposition, as the present one certainly is and involving such trifling additional expenditure.

"There is no necessity of waiting to erect turn tables at Doaktown. Present train ran 23 years from Doaktown to Newcastle tender first and this can be done from Doaktown to Blackville.

"Over a year has already been taken up in presenting claims of Newcastle and up-river sections of this small extension in the local train service and in view of the

growing necessities of these sections petitioners now consider immediate action should be taken by your Board.

"Please wire reply in time for adjourned meeting on Friday, August 11th.

Newcastle Board of Trade
P. HENNESSY, Pres.
E. A. McCURDY, Sec."

A copy was also sent to Mr. Loggie at Chatham.

Answer to message was as follows:

Ottawa, Aug. 10.—E. A. McCurdy

Newcastle N. B.
Your message of ninth received. Matters referred to were fully considered at the last board and board could not see their way clear to alter the present train arrangements.—Signed A. W. Campbell.

Ald. Clark and John Ferguson moved that a delegation be appointed by this Board to go to Ottawa to interview the minister of Railways and canals and other members of the cabinet on the matter.

E. A. McCurdy was named a delegate.

On motion of J. Ferguson, Mr. McCurdy was empowered to select his two colleagues.

W. A. Hickson thought that President Hennessy should be a delegate, as he is a strong Liberal and has wide wholesale interests. Delegation should be of all shades of politics.

Pres. Hennessy emphasized the inconvenience to which the up-river sections are put by lack of railway facilities. Railway Board appears dumb to our prayers. This is a perfectly non political question. He could not go to Ottawa.

Adjourned.

The Dominion Election

Hon. Wm. Pugsley

Candidate in St. John City and Leader of New Brunswick Liberals

THE NE TEMERE DECREE

The Rev. Mr. Simpson's Reply to Rev. Father Dixon's Second Letter on the Ne Temere Decree.

The Editor of the Advocate:—
Sir,
The Rev. Mr. Simpson preached at Douglastown and got published in the Advocate what purports to be an answer to my criticism of his first sermon. A congeries of irrelevant, meaningless sentences does not constitute a reply nor can they bear analysis. Mr. Simpson has not answered, has not even attempted to answer my letter, with one exception to which I will now refer.

I asserted that Protestant ministers are losing; and, in many cases, have lost faith in the divinity of Christ and the fundamental truths of Christianity. This Mr. Simpson calls a "wilful and malicious falsehood." Mr. Simpson appears to be very ignorant of current events. Does he not know that the young men who have been for the past few years ordained to the ministry of the Presbyterian church, have absolutely refused to make a profession of faith in the divinity of Christ, for the simple reason that they did not believe in it. Has he read, or does he know, of the Union Theological Seminary of New York, a Presbyterian Institution in which this has been repeated year after year? The "catechism" may be quite "orthodox on this point; but the Presbyterians are moving very fast, so fast that belief in Christ's divinity would now, to them, smack of "the dark ages."

As Mr. Simpson has steered clear of the main issue in discussion, preferring to indulge in vulgarity, I shall adhere to my resolution to take no further notice of his "sermons."

LOGGIE HOLDING POUSING MEETINGS

Everything Points to a Sweeping Victory for the Liberal Candidate.

W. S. Loggie held a fine meeting in Lower Nappan Monday evening. The farmers are busy harvesting one of the best crops on record, but as soon after dusk as they could get away from their work they walked and drove to the hall. They all seemed intensely interested in reciprocity, and more than one farmer after he heard Mr. Loggie's speech declared that under reciprocity he would feel justified in largely extending his production of crops.

The itinerary that Northumberland's member has mapped out for the next week is as follows: Wednesday, Trout Brook; Thursday, Protectionville; Friday, Newcastle; Saturday, Big Bartibogue; Aug. 21, Boiestown; August 22, Doaktown; Aug. 23, Blackville; Aug. 24, Renous. Other places and dates will be announced later.

The meeting on Friday evening of this week is expected to be a very big one as Hon. H. R. Emmons of Moncton, will speak in Mr. Loggie's behalf.

SEVEN YEARS PAIN FROM ACUTE NEURALGIA

Cured Through the Use of Dr. Williams' Pink Pills.

Neuralgia is not a disease—it is only a symptom. It is the surest sign that your blood is weak, watery and impure, and that your nerves are literally starving. Bad blood is the one cause—good, rich, red blood is the only cure. There you have the real reason why Dr. Williams' Pink Pills cure neuralgia. They are the only medicine that contains, in correct proportions, the very elements needed to make new, rich, red blood. This alone reaches the root of the trouble, soothes the jangled nerves, and drives away the nagging, stabbing pain, and brace up your health in other ways. Mr. M. Erennan, an ex-sergeant of the 2nd Cheshire Regiment, now a resident of Winnipeg, Man., says: "While serving with my regiment in India, on a hill station, I contracted a severe cold which brought on acute neuralgia, at times lasting for three weeks. I was constantly suffering almost every month in the year for over seven years, the pain being sometimes so severe that I wished I was dead. On my return to England I seemed to get no better, though I spent large sums of money for medical advice and medicine. Then I came to Canada and about a year ago saw the advertisement of Dr. Williams' Pink Pills in a Winnipeg paper. Although I had begun to think my complaint was incurable I told my wife that I intended giving the Pills a fair trial. I was suffering from terrible pains when I began taking the Pills, but before the second box was finished the pain began to disappear, and under a further use of the Pills it disappeared entirely, and I have not had a twinge of it during the past year. Only those who have been afflicted with the terrible pains of neuralgia can tell what a blessing Dr. Williams' Pink Pills have been to me, and you may be sure I shall constantly recommend them to other sufferers."

These Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
