

railway, with all the privileges and running powers belonging to it. The price to be paid is one million six hundred thousand dollars, which is the amount of the option announced by the minister of railways last year.

Friday was Government day in the Commons, and as the ministers had nothing ready the House adjourned, after a session of fifteen minutes. In the 8th state that afternoon, Senator Ferguson, who had been in the Government since the 10th inst. for the purpose of conveying Mr. Peters, of Victoria, to P. E. Island, and if a special train on the P. E. Island Railway from Georgetown, was run on the same day and for the same purpose. If, by whose order were these special services rendered and at whose expense? Hon. Mr. Scott said the Minister of Marine authorized the Stanley, to convey Mr. Peters across either on Saturday evening or Sunday, he being a member of the P. E. Island Legislature. Mr. Peters was absent from the last session of the Legislature and would have lost his seat had he not been there in time. He had no knowledge of any special train. Mr. Peters paid his fare. Senator Frowas pointed out that Mr. Peters had been a resident of Prince Edward Island, and had gone to British Columbia to live. He had left his constituents unrepresented last session and now wanted to get to the Island to save his seat. He did not think the Government had any right to put its hands in the treasury to pay for special trips of the Stanley and special trains. It was an indefensible extravagance.

Advices from Washington state that the Attorney General of the United States has given the opinion that under the present law the government has no authority to prohibit the importation of Canadian lumber. It will be necessary to obtain legislation in order to bring about this prohibition.

The morning train from Summerside leaves at 7.25 instead of 8 and is due in Charlottetown at 10.45 instead of 11.20. The train which left Summerside at 1 o'clock and was due in Charlottetown at 3.30 leaves at 11.45 and arrives here at 2.50. The train leaves Cape Traverse at 7.40 instead of 8 o'clock. Local time is given above.

Of the people are afflicted with some form of disease, and this causes a variety of ailments. THE Stanley did not arrive until after 7 o'clock Monday evening. A good deal of ice was encountered and this delayed her considerably. There was too much ice in the bay for the Jacques Cartier to go to Orwell, as was the intention yesterday morning.

SIR CHARLES TUPPER had a narrow escape from what might have proved a serious accident, in Ottawa, on Thursday last. Sir Charles was driving down Elgin Street from the House of Commons when the horse struck the work pavement on Sparks Street, it slipped and fell directly in front of an approaching electric car. Sir Charles at once jumped out of the rig and walked to the sidewalk while the car was stopped within a few feet of the horse which was lying all its length on the pavement.

By reference to our obituary column it will be seen that an old land mark has gone from our midst, by the death of Mr. Edward Roche, of this city, which took place on Wednesday last. Deceased was a native of Queen's County Ireland and came to this Island about fifty years ago. Mr. Roche was best known as an educationist, and many of our teachers, clergymen and other professional men, received a portion of their training under him. For many years he taught in the old Normal School in this city. His great forte was the mathematics in which he was very proficient. After giving up teaching Mr. Roche was for some years Provincial Librarian. He was twice married and of a family of seven, four sons and two daughters survive him. James Jeffrey Roche, editor of the Boston Pilot is one of the sons. His funeral took place on Saturday morning last, and was largely attended. A solemn high mass of Requiem was sung in St. Dunaghs Cathedral by Rev. Peter Curran, assisted by Rev. A. F. McNeill and J. F. Johnston as deacon and sub-deacon, his Lordship the Bishop accompanying his throne. After the Libera, the procession reformed and proceeded to the cemetery on St. Peter's Road. To Mrs. Roche and other members of the family we tender our sympathy in their bereavement.

A VERY successful social was held, under the auspices of the Calcedonian Club, in their rooms and the adjoining rooms of the A. O. H. on Thursday evening last. The entertainment was attended by nearly one hundred and fifty members of the Club, their lady friends and guests. The evening's proceedings opened with a musical and literary entertainment, in one of the rooms of the A. O. H., when the following programme was carried out:

Opening Address—President McLeod; Reading—Miss Edith McLeod; Song—Miss Collins; Pipe Music—Peter Ferguson; Address—Rev. T. F. Fullerton; Duet—Miss Collins and Webster; Song—Chas. Herman; Reading—James Eaton; Duet—Miss Collins and Mr. McLeod; Address—Chief Small; Closing Address—J. A. McDonald. The rendition of each number elicited hearty applause. The programme concluded, all repaired to the Club Room, where a sumptuous luncheon provided in Chalmers Major's best style, was partaken of. During lunch the strains of the pibroch were heard from Piper Ferguson. At the conclusion of the lunch all joined in singing "Auld Lang Syne," then the party returned to the Concert Room where the strains of Worthy Orchestra, dancing was indulged in for a couple of hours. The members of the A. O. H. are deserving of much praise for having so generously placed their rooms at the disposal of the Club for the evening. Mrs. Senator McDonald and Mrs. T. A. McLeod were the chaperones.
