SELECT LAND IN B.C.

PART OF PEACE RIVER

Prospectors Worked Over the Mountains From Hazelton and Spent Most of the Summer In Looking Over Veny Desirable Tearitory.

Another large block of land has been located in the British Columbia part of the Peace River country by G. M. Swan and J. D. McIntosh, who arrived in Edmonton last evening from the north.

Mr. Swan and Mr. McIntosh, who are in the north.

Mr. Swan and Mr. McIntosh, who are in the north.

Mr. Swan and Mr. McIntosh, who left in the county in the county in the county in the story is interesting, as picturally the attitude to the Hudson's Bay Company and takes it as a note of the approach of the locomotive and the steam plough.

The story is interesting, as picturally controlled the progress right in the Last West and doubly so as an impartial opinion of conditions in Northern Alberta, which is the best kind of publicity that could be desired.

Mr. Swan and Mr. McIntosh, who licity that could be desired. represent a company of British Columbia capitalists, left Hazelton during the course of the past summer, and travelled by way of the Skeena River, Francois and Stuart Lakes to Fort McLeod, and down the Parsnip and Peace Rivers. They penetrated the country south of Fort St. John, and outside the boundaries of the Peace River block, picked out 140 ctions of land for their company This is not open park-land but has a considerable growth of timber upon it, spruce and jack pine. The purpose of the company's purchase is not made known but it is

probably for speculation. 's FROZEN TO DEATH IN MACKENZIE AVE. SHACK

Andrew Elder, a Well-Known Curbstone Broker, is Found In a Dying Landing. Condition This Morning and Dies

ca Landing to the Bulletin this morning. Mr. Greer came down yesterday from the Landing, and is a guest at the Yale Hotel. On the trail from the Landing Mr. Greer counted over 100 teams going north with supplies, Before leaving the Landing he was advised by telegram that there were 100 teams on the way south between the Peace River Crossing and Athabasca and Landing.

Mr. Greer, who is a member of the Landing Board or Trade, says that inquiries are now being received by that body from all parts of Canada and the United States, as to the resources of the district, and there is every indication that the season about to open will be a record one for the content of the content
