EXPORT OF PIT PROPS.

Owing to the large quantities of Pit Props cut in the Colony which, owing to the shortage of shipping, it is found impossible to ship to Great Britain or France, the Governor in Council has been pleased to order that, under these special circumstances, permission be given for the export of Pit Props to the Dominion of Canada and the United States of America, or for the sale of Pit Props to local manufacturers, if such can be used here.

PUBLIC NOTICE

NEWFOUNDLAND PATRIOTIC ASSOCIATION EMPLOYMENT COMMITTEE.

The Employment Committee has been appointed by the Newfoundland Patriotic Association "to take into consideration applications for employment in civil life from returned Soldiers and Sailors of the Newfoundland Regiment and Newfoundland Royal Naval Reserve who have been granted honourable discharges. The Committee can only perform this duty to our returned soldiers and sailors with the fullest help and co-operation of those in the Colony who employ labour or require help or service of any kind in which these men may be employed. The Committee will prepare and keep on file a register of all men seeking employment, giving their age, qualifications and experience, so far as possible, of each applicant. This information will be available to prospective employers, and steps will be taken to bring about interviews or correspondence between employers and soldier or sailor applicants. Every person or firm when requiring such help for either domestic or business purposes is therefore invited to communicate to the Committee the nature of the help required, and of the work to be done, and such other information as may be useful. For the present the Headquarters of the Committee are at the Colonial Building, St. John's, and communications should be addressed to A. E. Parsons, Secretary of the Employment Committee.
