DUSTORMUD?

"FOR HEALTH'S SAKE USE LIFEBUOY SOAP"

Mud consists of the filth of the drains and streets, and more often than not the mud carried into your house on the children's boots, or yours, brings in disease germs. The dust you see in your house is dried mud and is generally laden with germs which cause sickness.

Take care to keep your floors free from mud and your curtains, window sills, stairways, etc., free from dust and thereby lessen the chances of heavy sickness in your home. Use LIFEBUOY SOAP, and plenty of it, on your floors and woodwork. Use it also for your wash.

LIFEBUOY is a disinfectant soap which cleans and disinfects at same time. LIFEBUOY is recommended by doctors and Health Departments and is made and guaranteed by Lever Bros., soap makers by appointment to His Majesty King George V. Your hands will benefit from LIFEBUOY SOAP.

BUY LIFEBUOY SOAP--don't take something else--LIFEBUOY IS BETTER.
