CONSTIPATED CHILDREN

Constipation is one of the most common ailments of childhood and the child suffering from it positively cannot thrive. To keep the little one well the bowels must be kept regular and the stomach sweet. To do this nothing can equal Baby's Own Tablets. They are a mild but thorough laxative; are pleasant to take and can be given to the newborn babe with perfect safety. Thousands of mothers use no other medicine for their little ones but Baby's Own Tablets. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

We know that you'll be waiting Close beside the Saviour's throne. For Him to send an angel To bid us each come home.

Then what a joyful meeting When we meet with you again, Where we hear the Angels singing,

For there'll be no sin or sorrow Never more we'll say good-bye, When we meet with you up yonder In the home above the sky.

Oh you were our little darling Ever day we miss you more,

Although we loved you dearly And wished to have you stay,
