ONTARIO MUTUAL LIFE.

PROMPT PAYMENT OF CLAIMS.

On August 2nd, 1871, the first death occurred among the membership of the company. Immediately upon the presentation of the usual proofs, a check was issued for the full amount of the policy, although under the contract payment could have been deferred for three months. Since then the total payments made for Death Claims and Matured Endowments amount to the large sum of \$952,233.00, and among these cases there is none on record where payment was not made on the same day that proofs were completed. This commendable practice has become one of the features of the company, and it is well known that the officers and agents afford every assistance in hastening the completion of proofs of claims, so that payment may be made at the earliest possible moment. We find it necessary to point out this fact, as some rival companies less than half the age of the Ontario claim the honor of introducing this practice. Every progressive feature, consistent with sound practice, will be found in the contract of this company. C. F. GERMAN, General Agent. J. F. SANGSTER, J. D. MCLELLAN, City Agents. Office—Over C.P.R. Ticket Office. 30c
