Wiltshire Runs Ashore On Barrier Reef in Heavy Gale.

BULLETIN.

LONDON, June 1 .- Four of the crew of the British steamer Wiltshire, ashore on the New Zealand coast, have been landed by the life line, according to advices to The Daily Mail. The rescue of the others, numbering nearly 100, is expected.

AUCKLAND, New Zealand, June -The 12,000-ton British steamer Wiltshire, with a crew of nearly 100 on board, is ashore on the New Zealand coast in a perilous position to day, with small prospects of rescue because of the tempestuous seas run-

Barrier reef in a heavy gale last night. She became full of water this norning and since has broken in two. Relief parties on the cliff to day could see the crew, but were unable to get out to the vessel because of the terrific breakers. There are no passengers on board.

Two New Zealand steamers stand ing nearby, have been unable to apch the Wiltshire, while attempts wim ashore have been futile. It is unable to do much until the weather

Chicago, June 2.—Wheat prices averaged a little lower here today in the early dealings, the chief factor being failure of Liverpool quotations to reflect yesterday's advance on this side of of the Atlantic. Estimates that the amount of wheat on hand in Chicago amounted to as much as 14,000,000 bushels tended also to check bullish sentiment. Rust reports from Texas and Kansas, however, brought in some buying orders, and pressure to sell was light. The opening, which varied from unchanged figures to \(\frac{1}{2}\) cover, with July at \(\frac{1}{2}\) 18\(\frac{3}{2}\) 40 19\(\frac{1}{2}\), as followed by a slight rally and then by a moderate decline all around.
