

CHARGES AGAINST BOND SALESMAN

Alleged Irregularities May Bring Extradition Proceedings.

Special to The Advertiser.
Sarnia, Nov. 30.—Sarnia authorities are considering steps for the extradition from the United States of W. J. Kauffman, bond salesman, present facing charges at Rochester, N.Y. Kauffman came here to handle bonds of a local apartment house. He received advances of \$500 from the company on the strength of sales he reported in Detroit. He also sold some of the bonds locally, in one case obtaining \$500 cash payment. It is alleged that in no case did he turn over money to the local company or bonds to the purchasers. The latter he is said to have deposited in a bank at Windsor. The matter is being referred to the attorney-general's department at Toronto.

The final session of the 1924 Lambton county council will open in the local court house on Tuesday at two o'clock.

Sarnia had its first real test of winter at the week-end. Following a low temperature Saturday, snow commenced falling lightly in the evening and continued throughout today, about two inches remaining on the ground.

Road Spends More Money in Maritime Than Any Other Institution.

New Glasgow, Nov. 30.—The Canadian National Railways spend more money annually in the Maritime provinces than any other institution, the total disbursements of the Canadian National Railways in the Maritime provinces for materials bought and wages paid is more than \$35,000,000 per annum the expenditure of such a sum must be of some benefit to the Maritime provinces, and I believe we are justified in expecting a feeling of goodwill towards the company. As the revenues of the Canadian National railways increase we hope to spend more.

These figures were quoted today by Sir Henry Thornton, when replying to a number of requests made to him by the New Glasgow board of trade he sought to point out that from its position as a purchaser and as an employer of labor, quite apart from its function as a transportation unit, the Canadian National Railway system is intimately concerned in the growth and the prosperity of the Maritime provinces.

To a suggestion from one of the board of trade members that the

SALARY REVISION DUE THIS MONTH

Changes Affecting Customs Department Will Be Made This Year.

Canadian Press Despatch.
Toronto, Nov. 30.—Addressing the staff of the customs department at the annual banquet of the Dominion Customs and Excise Officers' Association last night, Hon. Jacques Bureau made a plea for a better understanding between the provinces of Ontario and Quebec.

In speaking of the "bon entente," he said that anything that was supposed by some people to stand between Ontario and Quebec was a bogey, and it could be done away with if the people of the two provinces would come into closer contact with each other.

Touching on the salary question the minister said he understood there were some apprehensions because of the revision of salaries, some of the staff fearing that they would be paid less than they had formerly been receiving. Mr. Bureau announced that the salaries would be made up by supplementary bonuses to what they were before the recent revision.

R. H. Farrow, deputy minister of customs, also made an announcement on the wage question. In speaking in regard to the members of the staff in "grade 31," which includes a number of the women employees, junior clerks

Special to The Advertiser.
Atwood, Nov. 30.—A choir concert of exceptional merit was presented by the three choirs of the village, under the direction of Mrs. (Rev.) Byron Snell, in the music hall on Friday evening. The program consisted of solo by Miss Ethel Blackwell, soloist of the Presbyterian church; piano instrumental, duets, ladies' quartets, ladies' trio, mixed quartets and double quartets, and a three-part chorus by twelve ladies, which was especially well given, also the three choruses were much applauded. Meodames Snell, Paul, McBain Robinson and Miss Blackwell, with Messrs. McDowell, Robinson, Wilson, Paul and Cox had the principal parts. Mrs. Everett G. Coghlin acted as accompanist for the evening. Mr. Wilson of the choir assisted the choir. Mrs. (Rev.) F. W. Blomore gave two readings which were well received. The proceeds will be divided among the three choirs taking part.
