Mr. A. S. Going, C.E., who was engaged by Frank Bakeman & Co. to make a recon-naissance survey between Duluth and Comox for the Canada Western line, returned on the noon train yesterday. Mr. Going has time, and in very unpleasant weather, took notes on two lines between the above points, besides acquiring other useful data. The country to be traversed by the railway is a comparatively level one, and has considerable stretches of good land, besides valuable timber and coal lands. The grades nowhere will exceed one per cent. A survey party has been arranged for, and in the course of a few days Mr. Going will again leave for Duluth, and will immediately begin the location of the line from that point southward.
