THE KING'S HEALTH. Attack of Lumbago Magnified by Rum Into Alarming Illness.

Aberdeen, Oct. 4.—Sir Jas. Reid, the distinguished physician, who is staying in this vicinity, has been summoned to Balmoral. The Aberdeen Evening News says King Edward is suffering from lumbago.

London, Oct. 4.—The coincidence of the announcement of King Edward's indisposition, with the revived rumo's regarding cancer published in Copenhagen, from which city His Majesty has just returned, and where secrets of the British court are more likely to break out than elsewhere, is causing some commotion here.

The fact that the customary court circular does not appear this morning adds to the uneasy feeling, which is not allayed by the explanation of the King's indisposition given by Sir Francis Luking, His Majesty's physician.

A story is in circulation among the clubs, purporting to come from a titled member of the late Queen Victoria's household, giving color to the cancer story, and saying that court circles are discussing the possibility of no coronation taking place next year. It is impossible, however, to obtain tangible corroborative evidence of this report. roborative evidence of this report.

KRUGER BREAKING UP. Gradually the Old Man Is Growing

The Hague, Oct. 4.—A. D. Wolmarms, one of the Boer envoys, who has been visiting Mr. Kruger at Hilversum, ound the mental condition of the former president of the Transvaal to be by no means satisfactory. Mr. Kruger is lowly growing weaker, physically and dentally. His slowness in reaching a ecision on important questions is ound to be a serious hindrance to those working in Europe in behalf of the loger cause.

working in Europe in behalf of the Boer cause.

At the slightest question regarding his health, Mr. Kruger exhibits intense irritation and vehemently denies that anything is wrong. The approach of winter causes anxiety, as Mr. Kruger refuses to leave Holland. According to a remark made by a prominent Boer, the former president's condition would long since have been much worse if hatred of Great Britain did not nerve him to continue.

Sherbrooke, Que., Oct. 4.—The coroner's jury on the victims killed in the wreck on the Quebec Central at Thetword mines yesterday, brought in a verdict today that the wreck was caused by an unintentional error made by Robt. PAINFUL ACCIDENT.

Mr. A. J. Dallain Badly Hurt at the Race Track.

Mr. A. J. Dallain was badly hurt last Tuesday at the exhibition park. He was riding a horse which was being judged with two others. The judges directed the riders to go round the track at full speed, not knowing that the gate had been carelessly left open. The first horse bolted for the gate when he came opposite to it, followed by the one ridden by Mr. Dallain, and the gate being too narrow for the two horses to pass through, Mr. Dallain was thrown against the post with great violence and was picked up unconscolus. His injuries, though very painful, are not serfous, and he was able to be about yesterday.
