**OUR CHRISTMAS NUMBER**

Once more we place before our read-  
ers our annual Christmas number, con-  
sisting of sixteen pages with colored  
cover. This issue we trust will be as  
bright and interesting as those of  
previous years, and we desire to thank  
our many friends and patrons for their  
generous help.

Although we are under the shadow  
of a great war-cloud, the merchants  
of this town are to be congratulated  
on "keeping up their heart", and  
"keeping up their advertising". The  
business feeling is very optimistic,  
and there should be nothing to hinder  
this Christmas from being as good, if  
not better, than last.

Since our last Christmas edition, the  
Graphic has made great strides in its  
circulation. Last year our circulation  
was between 2500 and 2700. This year  
our issue exceeds 3750, but notwith-  
standing this, we have not as yet in-  
creased our advertising rates. It will  
be seen therefore from these figures  
that as an advertising medium, the  
Graphic stands away ahead of any-  
thing on the North Shore, and our  
columns are kept free from objection-  
able advertising. It is only a few  
weeks ago that we refused for a sec-  
ond time, the advertising of a Brew-  
ery firm, which is being run in other  
papers. This or mail order advertising  
are two classes which we will not ac-  
cept, as we consider that we are only  
giving our own home merchants a  
square deal by keeping such out of  
our columns.

**SOUTH AFRICA**

Capture of General De Wet left Gen-  
eral Beyers the leader of the South  
African rebellion. His death by drown-  
ing in the Vaal river while closely  
pursued by loyal troops, terminates  
agonizingly the career of one who only  
a few months ago was the chief mili-  
tary officer of the South African Lib-  
eration. The fate of these two leaders will  
probably smother the dying embers of  
rebellion in Africa. Premier Botha's  
vigorous policy in dealing with the in-  
surrection has been as effective as  
other malcontents will think twice be-  
fore listening to the honeyed words,  
or accepting the bribes of German  
agents. South African loyalty has  
been proven by the splendid rally of  
thousands of Boers to the Emire's  
cathedral, and Boers and Britons, with  
the aid of troops from loyal India, will  
soon be able to push the conquest of  
German Africa.

**Deafness Cannot be Cured**  
by local applications as they cannot  
reach the diseased portion of the ear.  
There is only one way to cure deafness,  
and that is by constitutional remedies.  
Deafness is caused by an inflamed  
condition of the mucous lining of the Eus-  
tachian Tube. When this tube is in-  
flamed you have a rumbling sound or  
imperfect hearing, and when it is en-  
tirely closed, Deafness is the result,  
and unless the inflammation can be  
taken out and this tube restored to its  
normal condition, hearing will be de-  
stroyed forever; nine cases out of ten  
are caused by Catarrh, which is noth-  
ing but an inflamed condition of the  
mucous surfaces.

We will give One Hundred Dollars  
for any case of Deafness (caused by  
Catarrh) that cannot be cured by Hall's  
Catarrh Cure. Send for circular free.

**FRENCH CAVALRY GUARDING THE ENTRANCE TO A VILLAGE**

A GROUP OF CHASSEURS-A-CHEVAL GUARDING A BRIDGE AT THE ENTRANCE TO A VILLAGE

One of the London Post's special correspondents at the front, describing the French army as he saw it, writes:—  
"My actual destination was a small French town with a fine old church that forms a prominent landmark. As  
we reached it I could see large numbers of transport wagons drawn up in the fields near the station. Sentries were  
posted at the station gates with bayonets fixed scrutinizing the passersby. There were abundant signs that the place  
was close in the rear of the armies. Transport wagons kept passing with supplies. A group of them, too, was stand-  
ing on the hill, and the men were taking the horses out to water. Occasionally a mounted officer rode by. Had it  
not been for the soldiers the town would have seemed very empty, for large numbers of the civil population had  
when the Germans came near."

**DEATH OF REBEL  
GENERAL BEYERS**

**Shot as He was Crossing the Vaal  
River After Stand—Last  
Stand**

Pretoria, Dec. 9.—General Beyers  
and 50 of his followers have been bur-  
ied since Saturday. Yesterday they  
were overtaken along the Vaal, near  
Greyling, Captain Viljeans, command-  
ing the pursuing troops, demanded the  
surrender of the rebels, but the latter  
promptly refused, and prepared to  
make a last stand. The rebels formed  
along the river, and sharp shooting  
followed, as the men General Beyers  
was leading endeavored to cover the  
flight of their commander and other  
officers with him. Beyers and others  
plunged their horses into the river in  
their effort to escape, but in mid-  
stream, the General was shot from his  
horse. He managed to grasp the tail  
of another horse, but this animal,  
caught in the swift current, began to  
drift rapidly down the stream. Gen-  
eral Beyers could be heard calling  
loudly for help, but disappeared dur-  
ing the fighting in which his men were  
endeavoring to make his escape pos-  
sible. The field glasses and revolver  
carried by the dead rebel leader were  
found, but it was impossible to recover  
his body owing to the recent floods and  
the swollen condition of the Vaal.

Do not curtail your Christmas giv-  
ing. The obligations of this year are  
greater than ever before. It is a plea-  
sure to remember relatives and friends.  
It is a duty to help the poor, the  
needy, the afflicted. This year the  
poor, the needy, the afflicted are more  
numerous than ever before. Think  
of them, and make this your best  
Christmas.

**CLOSE FOR HOLIDAYS**

The Red Cross committee of the  
ladies Institute, ask that all articles  
might be sent in this week, as a ship-  
ment is now being prepared and it is  
purposed to close the rooms during  
the holidays.

**LAST BUT NOT LEAST**

On the outside page of this cover  
will be found the advertisement of  
Oak Hall. As an adv. it is worth  
looking at twice, as a money-saver it  
is worth remembering all the time.  
Look it over for yourself.

**EDITOR'S MAIL BAG**  
Campbellton, Dec. 9th.

Dear Mr. Editor  
Permit me space in your valued  
paper to say a few words in regard to  
Rev. E. E. Mowatt's letter of your last  
issue. As a Presbyterian, I have noth-  
ing to say against our church govern-  
ment, but St. Andrew's church, Camp-  
bellton is a sad evidence of what man  
may do, by the abuse of that system.  
Perhaps had Mr. Mowatt and some  
others of the Miramichi Presbytery,  
a little more regard for the voice of  
the people, our church might have  
been happily settled with a pastor  
longer than this.

Mr. Mowatt says, "Is it unreason-  
able that when a minister from an-  
other church wishes to accept work in  
a congregation of the Presbyterian  
church, that he should apply and be  
accepted, only after careful examina-  
tion by a committee of the Assembly?"  
Now, Mr. Editor, Mr. MacDonald is  
not an American, he is Canadian born,  
was educated at our own Presbyterian  
College in Halifax, and licensed and  
ordained by our own Presbyterian  
church in Canada, and held one or  
more charges in our own Province of  
New Brunswick. Mr. Mowatt says we  
are living in a Democratic age, that's  
right. And that is just why the ma-  
jority of this congregation think they  
should be listened to in the choice of a  
minister. Owing to the scarcity of  
ministers in our Maritime Provinces,  
I should think a man of Mr. MacDon-  
ald's ability would be a valuable addi-  
tion to the ranks.

Thanking you Mr. Editor for space  
and yours for fair play.  
A PRESBYTERIAN.

**LETTERS FROM THE FRONT**  
Mrs. A. E. Alexander has received  
the following letter from Salisbury,  
Camp from her son Fred. Only part  
of it of course, is reproduced here, as  
most of it was of a private nature.  
Div. Cyclist Coy.,  
West Down Camp,  
Nov. 24, 1914.

Dear Mum:  
Received your letter last night about  
8 p.m. Mail is irregular here, if you  
don't go and ask for it in the orderly  
room, it lies there for days.

We are still under canvas, and they  
are building huts for us to spend the  
winter in, so it does not look like mov-  
ing soon, in fact, we don't expect to  
see the front except in case of some-  
thing unforeseen happening.

Lord Roberts inspected us just be-  
fore he died, and the King and Queen  
paid us a visit as well.

I was in London for a while. It is  
an immense place and would take  
months to see it all. I was in the  
Museum, West Minister Abbey and St.  
Paul's Cathedral, and a few other  
places of interest. They are too hard  
to describe and have to be seen to be  
appreciated.

We go all around the country near  
our wheels, but the only place of  
interest near is Stonehenge, Malcolm  
will know about it.

The people here are very good to us  
and are much less excited over the  
war than the Canadians.  
Will write again soon,  
FRED.

**Needless—Use Parisian Sage.**  
Now that Parisian Sage can be had  
at any drug counter it is entirely need-  
less to have thin, brittle, matted,  
stringy or falling hair. No matter how  
unsightly the hair, how badly it is fall-  
ing; or how much dandruff, Parisian  
Sage is all that is needed. Frequent  
applications and well rubbed into the  
scalp will do wonders! acts like  
magic! The hair roots are nourished  
and stimulated to grow new hair, itch-  
ing scalp, dandruff and falling hair  
cease—your head feels fine. Best of  
all, the hair becomes soft, fluffy, abun-  
dant and radiant with life and beauty.  
You will be surprised and delighted  
with Parisian Sage. Try at least one  
fifty cent bottle from Thos. Wran he  
will refund the purchase price if you  
are not satisfied.

**BUILDING ACTIVITY**

**AT PRINCE GEORGE**

Good progress is being made with  
the execution of machine shops and  
round house for the Grand Trunk  
Pacific at Prince George, B. C. This  
district is showing rapid growth, and  
it is probable that there is no other  
locality in British Columbia in which  
greater building activity is taking  
place. During the past three months  
there have been completed nearly  
\$500,000 worth of new residences and  
business blocks, while at the present  
time there are buildings valued at  
\$250,000 under construction.

**GIVE THAT PUNY CHILD  
THIS GUARANTEED REMEDY**

Give that Puny Child  
If your child is under-weight, list-  
less, ailing, liable to get sick easily, if  
needs a medicine to build its weight  
and strength. To this purpose there  
is nothing else we know of that we can  
so strongly endorse as Rexall Olive  
Oil Emulsion. The remarkable suc-  
cess of this splendid medicine is due to  
the fact that it contains ingredients  
that tone the nerves, enrich the blood  
and furnish to the entire system the  
strength, weight and health-building  
substances it needs. And it does all  
this without injuring the stomach. In  
fact, Rexall Olive Oil Emulsion is not  
only pleasant to take, but even the  
most sensitive stomach is benefited by  
it, and the digestion improved. On  
the other hand, it contains no alcohol  
or habit-forming drugs, which most  
parents object to giving their children.  
It does its good work by taking hold  
of the weak, and builds the body  
up to its natural strength, the same  
time making it strong to resist dis-  
ease.

If Rexall Olive Oil Emulsion doesn't  
build your child up, feed the stunted,  
puny muscles, and make the little one  
lively, strong, well, and full of the an-  
nual sports children are meant by na-  
ture to have, come back and tell us  
and get your money back. We don't  
want you to lose a cent. We think  
this is no more than fair and it leaves  
you no cause to hesitate. For old peo-  
ple also—for convalescents—for all  
who are nervous, tired-out, run-down,  
no matter what the cause—we offer  
Rexall Olive Oil Emulsion with the  
same guarantee of entire satisfaction  
or money back. Sold only at the 7,000  
Rexall Stores, and in this town only  
by us. \$1.00.

**A. H. Hilyard of Dalhousie Dies  
Last Thursday Evening After  
a Short Illness**

Many friends throughout the Pro-  
vince and elsewhere will learn with re-  
gret of the death of A. H. Hilyard  
Manager of The Dalhousie Lumber  
Company, which occurred here on the  
3rd inst. after a short attack of pneu-  
monia, in his fifty fourth year. A  
native of St. John, N. B., he came to  
Dalhousie in 1903, and during his so-  
journ here, has been counted as one of  
our most progressive citizens. A prac-  
tical business man, he was a gentle  
man all through his dealings. In the  
management of the lumber Co., he  
was very popular among the workin-  
men. He took great interest in every  
thing that was for the benefit of the  
little town in which he had cast his lot.  
He was instrumental in carrying out  
the improvements recently made at  
St. Mary's Episcopal Church, where he  
worshiped regularly and the young  
people of the town appreciate his  
splendid work in their interest, as he  
was an active member of the Dalhousie  
Social Club, and was very popular  
among the curlers, one of his late  
acts being the successful carrying out  
of the building of one of the fine  
skating rinks in the Province.

He is survived by four brothers, 1  
A. Hilyard, Dalhousie; W. W. Hilyard  
Florida; Thomas R. Hilyard and E.  
win J. Hilyard, St. John; and two sis-  
ters, Mrs. W. H. Smith and Mrs.  
George S. Robertson, St. John. T.  
funeral was held in St. John on Su-  
day afternoon from the residence  
Mr. George A. Hilyard, Douglas Av-  
enue.
