hold out no nope to his hungry friends, that the Government would be defeated this session. The best comfort he could present to them was his own hope that the Government would be weakened at the polls in a general election. That is poor satisfaction indeed. The majority of Mr Blake's friends would rather ha The residence of James G. Data & Maine 100 yards from the Kennebec, and the Maine stateman is one of the most persistent of ice-yachterg. Olad in a big fur overcoat and a fur car, he always insists upon steering the vacht himself, and 'his ice-book, the "Kanner vacht himself, and 'his ice-book, the " poor satisfaction indeed. The majority of Mr. Blake's friends would rather he had held his peace, than to break in upon their happy dreams of the past fow months. There is one other point in the great speech to which we must refer. Mr. Blake at the outset said he wanted to resign the leadership of his party. He Cor.
