The Covington pool rooms lost \$25,000 day by the victories of Calcium, Apollo short weeks the flags will be flying at Woodbine Park and 10,000 people will be watching the start for the Trial Purse, which will set the Canadian racing season under way. Although the spring has been cold and backward, the spring has been cold and ba canadian racing season under way. Although the spring has been cold and backward, the horses are in very fair condition. Of course the Canadian stables now racing at Washington will have an advantage over the horses trained here, as will the American contingent, but as in former years the thoroughbreds prepared in Canada will doubtless secure a fair share of the purses. The rain of last night will again leave the track in a muddy condition, and trainers will have to send their charges on the road to-day. Yesterday the track was in fairly good condition. Trainers are all complaining regarding the harrowing of the track, which they say is not half attended to, and propose hiring teams on thoir own account and having the work done. Certainly the O.J.C. should look into this and give the trainers every opportunity to get their horses in shape.
