The Hot Spell

Some interesting readings of the thermometer during the recent hot spell will be found herewith. The figures are taken from the London Observatory reports. The dates when the mercury went above 90 are:—

July 7	92
July 11	94
July 12	93.5
July 15	91.5
July 19	91.5
July 20	95
July 22	91.5
July 23	94
July 24	97.5
July 25	94
July 26	95
July 27	91
July 29	94.5
July 30	100

In the above list have been recorded those days when it was over 90. The days when it was almost that number five, and were 89.5, just half a degree off, on the 13th, 14th and 16th of the month; 89 on Friday and 88.5 on the 19th. The lowest "high" reading of the month was that recorded on the 2nd, when it was but .69. That is the only day so far this month when the temperature has been below the 70 mark, and indeed there are but few other days when it went under 80. Those were the 3rd, when it was 72, and the 9th, when it was 79. Outside of these three days the temperature has ranged from 83 to 97.5. It was the hottest July on record.

The Late Peter McPhedran

After several months illness Mr. Peter McPhedran, 2nd line Plympton, passed to the great beyond on Monday morning July 24th. Mr. McPhedran has been a resident of Plympton for a number of years and will be greatly missed by his friends and neighbors. He was an elder of the South Plympton Presbyterian church. Besides a sorrowing wife he is survived by one daughter, Mary, at home, and five sons Leslie and Bruce of Petrolia, Harry, medical doctor, who is at present with the Medical Corps in France and Neil and Roy at home, one sister, "Fennie" Mrs David Alexander, of Saskatoon, and two brothers, John, 2nd line Plympton and Dr. Alex McPhedran of Toronto. The funeral was conducted from the family residence Wednesday afternoon to the Wyoming cemetery.

Scrap paper, boxes, etc., are being baled instead of burned on Bois Blanc this year, as it is in great demand and a good price is paid for it.

Upper School Exams

The following list contains the names of all the candidates from Lambton who have passed on one or more parts of the Upper School examination for entrance into the faculties of education at the University of Toronto and Queen's University, Kingston. The examination passed is indicated after each name.

F. W. Duncan (Pt. I), M. E. Gibb (Pt. I, honors), R. W. Gray (Pt. II), B. C. Hare (Pt. I), M. E. M. Meath (Pt. II), E. F. Kingston (Pt. II), E. M. Lambert (Pt. II, honors), R. A. McGeachy (Pt. II), M. E. McDougall (Pt. I), J. M. Sharpe (Pt. II.)

Moffatt—Acton

A pleasant event took place at the home of Mr. John Acton, 6th Ave., on Wednesday last, when his daughter, Margaret, became the wife of Mr. Gordon Moffatt, son of Mrs. James Moffatt. The bride, who looked charming in a gown of white crepe-de-chine was unattended and the wedding march was played by Miss Alena Parker. Rev. J. Albert Snell performed the ceremony. The bride and groom were the recipients of many beautiful and useful presents. After doing justice to the dainty luncheon, the happy couple left for a trip to Sarnia and Port Huron amidst showers of confetti and best wishes of their friends.

A Letter from France

Some time ago the Watford Women's Institute sent a number of parcels to the Red Cross for distribution at the front, enclosing a note with the name of the sender. The other day Mrs. Ferguson received an answer to the note enclosed in her parcel. It was written in French, and being translated reads as follows:—

The Army, Saturday, July 1st, 1916
Madame: I have had the honor to receive a little note from you; it was in a package which was sent to me by the ladies of the French Red Cross of Villeneuve. I have the honor to write you this letter to thank you for your kindness to me. According to your wish in your little note, I wish to speak to you of my family, which is unfortunately not numerous. I am without family. I have no longer any parents. I lost my dear father 18 years ago, and my mother 8 years ago. I am alone in the world. I have only a sister younger than myself. I am 24 years old. I have been a soldier since the beginning of this terrible war. I have been laid up once with sickness and wounds. I have since returned to duty. We are awaiting with courage the complete victory of all the allies over the common enemy. Please pardon me, Madame, for taking the liberty of writing to you. I beg you Madame, to receive my sincere thanks and best wishes.

Yours most faithfully,
Henri Olivier.

GOOD INDIGESTION A SOURCE OF HEALTH

When the Stomach is Out of Order the Whole System Suffers.

Indigestion is one of the most distressing maladies afflicting mankind. When the stomach is unable to perform the work nature calls for, the result is severe pain after eating, nausea, heartburn, fluttering of the heart, sick headache, and often a loathing for food, though the sufferer is really half starved. People with poor digestion, too, frequently try all sorts of experiments to aid the process of digestion, but there is only one way in which the trouble can actually be cured, that is through the blood. That is why the tonic treatment with Dr. Williams' Pink Pills cures even the most obstinate cases of indigestion. They make rich, red blood that strengthens the stomach and the nerves, thus enabling it to do its work. The process is simple, but the result means good appetite and increased health and pleasure in life. In proof of these statements, Mrs. Albert Hall, Sarnia, Ont., says: "I have used Dr. Williams' Pink Pills with wonderful results. For two years I was a great sufferer from indigestion, which almost made me a physical wreck. At times my sufferings were so great that I was unable to attend to my household duties. I had smothering spells at times and was afraid to lie down to rest. After every meal, no matter how sparingly I ate, I suffered great distress. I tried several doctors but their medicine was of no avail. I saw Dr. Williams' Pink Pills advertised to cure this trouble and decided to try them. I had not been taking them long when I felt somewhat improved. This improvement continued and after taking ten boxes I could eat and digest all kinds of food and felt better than I had done for years. You may be sure I am very grateful for the wonderful relief these pills have given me. I know they are also a cure for anemic sufferers, as an intimate friend of mine was badly affected with this trouble and after taking several boxes she was entirely cured." You can get these pills through any medicine dealer or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

James Henderson, an old and respected resident of Adelaide Twp., met with a severe accident lately, when assisting his son, Maitland Henderson, in hauling in hay from the field. It appears that the team became unmanageable and ran away, causing the wagon to upset, when Mr. Henderson was thrown on the ground with great force. Medical assistance was at once procured and although badly bruised and shaken up, he is doing as well as could be expected.
