Two hundred dollars down, three hundred and one, two, and three, to the satisfaction of your committee, at the end of which time, a deed is to be made to the said Wallace Morgan, and a charge given to the Municipality for the unsecured portion of the purchase money.

We made a careful search of the records of the County touching the rights of the Municipality to Ferry accommodation on the Annapolis side of the river, and while in the said search, we discovered a grant, under the title grant, a ferry slip was reserved out of said conveyance, and the same was not therefore unable to tell the width of said slip property, on the Annapolis side.
