TO CLUBS!

SPECIAL OFFERS.

In order to secure a more extended share of public patronage for the "PARISH SCHOOL ADVOCATE," for the year 1859, we offer the following advantages to Clubs.—

Clubs of FIVE, paying for a year in advance, will be supplied for 3s. per copy, with a copy of the volume for 1858 to the getter up of the club; and Clubs of TEN will be supplied for 3s. per copy, with one additional copy, and a copy of the volume for 1858 to the getter up of the Club.

We think this liberal offer should induce those desirous of procuring information on the most important subjects of public interest to take steps to form clubs in their respective communities. The volume for last year contains an amount of varied reading matter, equal to many of the works now selling at a dollar per copy.
