These Four Remedies

Represent a New system of treatment for the weak and for those suffering from Consumption, wasting diseases or inflammatory conditions of nose, throat and lungs.

The treatment is free. You have only to write to obtain it.

Its efficacy is explained as simply as possible below.

By the new system devised by DR. T. A. SLOCUM, the great specialist in pulmonary and kindred diseases, all the requirements of the sick body are supplied by the **Four** remedies constituting his Special Treatment, known as **The Slocum System**.

Whatever your disease, one or more of these four preparations will be of benefit to you.

According to the needs of your case, fully explained in the Treatise given free with the free medicine, you may take **one**, or any **two**, or **three**, or all **four**, in combination.

A cure is **certain** if the simple directions are followed.

The Remedies are especially adapted for those who suffer from weak lungs, coughs, sore throat, bronchitis, catarrh, CONSUMPTION, and other pulmonary troubles.

But they are also of wonderful efficacy in the upbuilding of **weak systems**, in purifying the blood, **making flesh**, and restoring to weak, sallow people, vigorous and healthy constitutions. The basis of the entire System is a flesh building,

nerve and tissue-renewing **food**. Every invalid and sick person needs strength. This food gives it. Many people get the complete system for the sake of the **Emulsion** of Cod Liver Oil, which they themselves need, & it give away the other three preparations to their friends.

The second article is a **Tonic**. It is good for weak, thin, dyspeptic, nervous people, for those who have no appetite, who need bracing up.

Thousands take only the Emulsion and the tonic.

The third preparation is an antiseptic Balm or Jelly. **It cures catarrh**. It helps all irritation of the nose, throat and mucous membranes. It gives **immediate relief**.

Thousands of our readers need the **Oxojell** Cure for Catarrh without any of the other articles.

The fourth article is an **Expectorant**, Cough and Cold Cure. Can positively be relied upon. Is absolutely safe for children, goes to the very root of the trouble, and not merely alleviates, but **Cures**.

The four preparations form a panoply of **Strength** against disease in whatever shape it may attack you.
