

# A 2c POST CARD

containing your address, will bring you our 8 page booklet, which contains particulars of our

## International Stamp Exchange

absolutely the best bureau for selling and exchanging stamps. Double value in exchange. Prospectus (and advtg rates) of the Peruvian Catalogue, which will describe and illustrate 700 varieties and contain a host of valuable information.

**Clearance price list**—prices very near cost—showing how 10% profit can be made quarterly.

Also several unusually liberal offers to collectors, dealers, speculators and agents, and plenty of pertinent and interesting information.

*We will not be undersold*

on the remainders or any Peruvian stamps (or those of Ecuador, Bolivia and Chile) and this list will save you money if you contemplate purchasing—or if you wish to obtain top prices for your stamps.

## COLLECTORS, DEALERS, PUBLISHERS!!

Agents wanted to address and mail our list to all active dealers and collectors in their localities. Name number required and apply at once.

**We will pay liberally for thorough service.**

**WE WANT TO BUY** rare stamps and collections and can pay really good prices; offers solicited.
