INDUSTRY REWARDED.

The plan of selling an article of everyday use, like tea, in small packages, at wholesale prices, has developed a business in Ontario which gives many industrious men and women profitable employment. Wicked and unscrupulous dealers have taken advantage of this to perpetrate fraud, and it is now necessary to get in with a reliable house to make the business successful. Messrs. Payne & Weston, of London, Ont., are well established, and will not countenance deception in any form. They give fine teas at very low prices, and carry a wide range to choose from. They send a guarantee with every package, and refund the money where satisfaction is not given. They want agents, especially north and in Western Ontario, whom they will pay liberally. Apply for terms at once.

ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes bright as a button. It is very pleasant to take, soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

An Old Soldier's EXPERIENCE.

"Calvert, Texas,
May 3, 1882.
"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.
"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.
"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases.
J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

BRONCHITIS.

F. J. COOPER, Norval, Halton County, Ont., writes, "I have suffered for years with bronchial troubles, and tried almost every remedy. One day when in the drug store, the druggist recommended my trying **WINTERS' BALM OF WILD CHERRY**, which I did, and to my great surprise after using three bottles, I am as well as ever.
GEORGE E. MORROW, Druggist, Georgetown, Ont., writes, "I take pleasure in certifying that I have sold **WINTERS' BALM OF WILD CHERRY** for ten years, and know it to be one of the oldest as well as the most reliable preparations in the market for the cure of Coughs, Colds, and Throat and Lung Complaints. I know of no article that gives greater satisfaction to those who use it, and I do not hesitate to recommend it.
