

Sparkles.

A LITTLE Harlem girl recently said she was not afraid of mad dogs, because her father was a pastor.

HOTEL proprietor: "We don't allow any games of chance here." Gambler: "This isn't a game of chance. My friend here has no chance."

UNSAFE.—"I never feel safe to be without Hagar's Yellow Oil; for sore throats, colds, swollen glands, etc., it has not failed to give relief, and for my children it is so easy to administer." Mrs. Henry Dobbs, Berridale P.O., Ont.

SUGGESTIVE to smokers: The *Augusta Chronicle* says: "There is always compensation. The frost that nipped the Southern tobacco crops helped the Connecticut cabbages."

A NEW YORK paper is discussing the question: "Who invented the word dude?" What we want to know, though, is who invented the dude himself. That is the man to be killed.

"WELL, old fellow, it's all settled. I am going to be married in two months. You will be one of the witnesses, I hope?" "Count upon me. I never desert a friend in misfortune."

Mrs. Langtry, Sara Bernhardt, and Adeline Patil Revist Toronto.

These celebrated artistes will arrive here in the coming season to give us pleasure during the dreary months. Some people, however, prefer a different kind of pleasure and that is to furnish a home of their own, and have music, cards and games to while away the hours. Jolliffe's is the place to furnish these homes, and 467 to 473 Queen Street West contains an enormous variety for you to choose from.

"My dear Miss A., this ring which I would ask you to accept of me is emblematic of my love for you—it has no end." "Thank you very much, Mr. B.; it curiously resembles my love for you—it has no beginning."

UNLESS you are smarter and stronger than the thieves down Jericho way—and I guess maybe you are not, very few men are—why, you keep off that road. You stay in Jerusalem and you'll have more money and less headache."

"DON'T you consider it rather remarkable that Rev. Mr. Snagg preaches now with as much frequency as he did forty years ago?" "Oh! I don't know. I don't think a man's frequency is apt to wear out as soon as some other parts of his organism."

A YOUNG man and a young woman in the West have a wager upon the fate of the political canvass which makes the forthcoming election a subject of grave concern to them. If the candidate in question wins the girl agrees to marry the man. If he loses, the man agrees to marry the girl.

CHRONOLOGY.—Old gentleman (putting a few questions): "Now, boys—ah—can any of you tell me what commandment Adam broke when he took the forbidden fruit?" Small scholar (like a shot): "Please sir, th' worn't no commandments then, sir!"

CORRESPONDENT: "And you say your husband was killed by the Mexican authorities?" Texas widow: "Yes, murdered in cold blood." Correspondent: "Er—was he worth much?" Texas widow: "We hope to get \$100,000 for him from the Mexican Government."

THE EVIDENCE OF A JUSTICE.—Esquire Pelton, of Grass Lake, Michigan, a justice of the peace, was given up to die with malarial fever. He testified to a cure from Burdock Blood Bitters, after physicians' and other medicines failed.

THERE is a millionaire who has a great reputation for meanness. Recently he was interested in some of the recent failures, and made some sweeping losses. "Oh, it's awful, awful! I'm ruined, quite ruined!" he said to a fellow-sufferer. "I'm sorry, but after all there's one great thing in your favour." "What's that? I can't see it." "You won't need to change your mode of life at all."

Hall's VEGETABLE SICILIAN Hair Renewer.

Hall's Hair Renewer restores gray hair to its original color; makes the scalp white and clean; cures dandruff and humors; prevents the hair from falling out, and renders it soft and brilliant. The editor of the "Ocean Foam," Cape May, writes: "We speak knowingly, when we assert that Hall's Vegetable Sicilian Hair Renewer is the best of its kind. The article is an elegant and cleanly one, without which we think no toilet complete." Thos. D. Jones, Middle Granville, N. Y., writes: "I have used

Smith, Portsmouth, Va., writes: "My hair had nearly all fallen out, and that which was left was dry and dead. I used one bottle of Hall's Hair

Hall's Hair Renewer,

Renewer about ten years, with satisfactory results." E. G. Perkins, Oberlin, Ohio, writes: "I consider Hall's Hair Renewer the best hair preserver in use. I have used it for the past twenty years, and my hair is in as vigorous and healthy a condition as when I was 30 years of age. Not a sign of gray hair to be seen anywhere." Dwight L. Chamberlain, Oakland, California, writes: "My hair, which was nearly white, has been restored to its original color and luxuriance by the use of Hall's Hair Renewer."

and now rejoice in the possession of hair as abundant as ever." E. J. Adams, St. Paul, Minn., writes: "A diseased scalp caused my hair to fall out, and, after using a number of preparations without avail, I finally tried Hall's Hair Renewer, which caused a vigorous new growth. I am still using it, and could ask for no better results." Mrs. R. H. Corning, Battle Creek, Mich., writes: "By the use of Hall's Hair Renewer, my head, which was quite bald, has been covered with a fine growth of young hair."
