

## THIRTEENTH BATTALION RIFLE MATCHES.

These matches were resumed on Friday morning at Hamilton on the 11th inst. and were brought to a termination on the same day.

The first match on the list was No. 5, for the Lawyer's Cup. The Waterdown (No. 8) Company had completed their firing in this match on the previous evening, when they ran up a good score, owing in a great measure to the calm which succeeded a heavy shower of rain. The remaining companies of the Battalion finished their firing on the Friday morning, when a strong breeze was blowing across the range. This will explain the reason for the Waterdown Company being so much ahead of any of the others. It will be noticed that the other companies kept very closely together. We congratulate No. 8 on their victory.

These matches all through have been conducted with the utmost success, and the shooting is far ahead of that in any previous tournament. The Battalion will be represented at the ensuing Provincial matches at Toronto, commencing on the 22nd instant, when the members will no doubt give a good account of themselves, and carry off some of the prizes, if they keep up the shooting they have made during the matches just finished.

All those who intend competing at the Toronto matches should send their names to the Adjutant at once.
