

## CONSUMPTION

Right food—right medicine—right time—these three things are of the utmost importance to the consumptive. Right food and right medicine—these are contained in Scott's Emulsion of pure cod-liver oil. Right time is at first sign of disease. Right time is now.

Scott's Emulsion always helps, often cures. Ordinary food helps feed. Fresh air helps cure. Scott's Emulsion does both. Begin early.

### Marcus Dods'

Opinion, in the *British Weekly*:

"It must be owned that one opens a newly-published system of theology with a grudge and a prejudice against it. Can anything new be said? Have we not already samples of every kind, from every point of view?"

"Yet, as one reads on, Dr. Burwash commends himself as a highly intelligent writer, disarms our reluctance, and wins our attention and approval. He is a quiet and unostentatious thinker, who ever and anon unconsciously reveals his knowledge and his thoughts, and drops the occasional remark that shows he has penetrated deeper than some of his predecessors.

"The Methodists may be congratulated on having so interesting and thoughtful a teacher of theology."
