

Vol. 4.

JANUARY, 1884.

No. 1.

**OUR SPECIAL.**

**T**HE publication of the MONTHLY SPECIAL has been assumed by the Railway Committee, and will hereafter make its appearance regularly on the first of each month. It is intended to serve—1st, As a medium for the

conveyance of information concerning *Christian* work for Railway Men. 2nd, To furnish brief, pointed articles, concerning that greatest of all subjects, "The Salvation of man through faith in the Lord Jesus Christ." 3rd, To give from time to time, facts concerning railway history and progress. 4th, To announce the several meetings held by us in the city of Toronto and suburbs, in the interests of Railway Men.

**CHANGES.**

**F**OR some months past the Committee has been considering the Railway work intrusted to them, and they felt that to carry it on successfully in accordance with the original intention of the Association, changes were absolutely necessary. The desire of the Association is primarily to reach and benefit the many railway men who are engaged upon the trains, and whose peculiar duties are such as to deprive them of home comforts or of Religious privileges. It is of course understood that railway employees, resident in Toronto, are not outside the limits of the work, but on the contrary we look to them as supporters of,

**Adorn the doctrine of our Saviour in all things.  
Titus ii. 10.**
