

The HAMILTON CASH REGISTER

-Is the National Cash Register with
all the Improvements Up-to-Date.

It is entirely of home manufacture, made by highly-paid Canadian mechanics. We have revolutionized the Cash Register trade of Canada. For many years the purchasers of cash registers were at the mercy of the American manufacturer, and were charged outrageously high prices. To-day, thanks to Canadian enterprise and Canadian skilled labor, the "HAMILTON" practically controls the market. Few firms have received more encouragement in their fight against American-made goods than ours. But when it is found that the unreasonable laws of the United States, excluding the Canadian artisan, school teacher, etc., and more recently the representatives of Canadian manufacturers from taking orders in that country, the patriotism of the people of Canada prompts them to more than ever purchase the products of Canadian manufacture; and in no case is this more strikingly illustrated than in the sale of the Canadian-made Cash Register. Never were so many "HAMILTON" Registers sold, and never in our many years of business have we been so pressed with orders. The large number of our Registers in daily use in Canada is undoubtedly the best evidence of their superiority. It will always pay you to communicate with us and get prices before buying a Cash Register.

We guarantee to save you from \$10 to \$100 on the price of a National Cash Register. We are now making over ninety different kinds of National Cash Registers.

We have a number of second-hand total-adding National Cash Registers on hand which we will sell for less than half the price paid to the National Cash Register Company.
