A COMPANION FOR THE SICK ROOM, Being a Compendium of Christian Faith and Practice, compiled chiefly from the writings of Divines of the Holy Catholic Church. Price—3s. 9d.

IN Publishing this compilation, the desire of the Editor has been to furnish a compendium of Christian Doctrine, Practice, and Devotion for the edification of the sick members of Christ's flock; especially those who have lived unimpaired of their baptismal vows.

Having often painfully felt (with many of his fellow-laymen, whose office or privilege it is to minister to Christ in the persons of His afflicted members), the want of some compendium of sound practical theology, calculated to awaken the minds of those to serious thought who have hitherto lived carelessly, the Editor was induced to make the following selections from the rich stores of the Divines of the Church; and he would fain hope that some afflicted spirits may be aroused by the earnest and glowing language of the holy dead, to seek for rest in God their Saviour; and to strive to perform the covenant made by them in Baptism, walking in God's holy commandments.

DEVOTIONS FOR THE SICK ROOM, And for times of trouble, compiled from Ancient Liturgies and the writings of Holy Men. Price—3s. 9d.

THE favourable reception of the former part of this Work, the "Companion for the Sick-Room," which was prepared chiefly for the Editor's patients, encourages him to complete the task by the publication of these Devotions, which he hopes will prove useful and consoling to the afflicted.

Many litanies have been introduced, the short and fervent petitions of which will be found the most suitable for invalids, who are seldom able to go through a long continuous prayer. An attempt has also been made to frame several offices, or services, with the view of cultivating that habit of systematic devotion, so essential to growth in grace. The daily and devout use of the Psalms of David, whose divinely inspired prayers and praises have in all ages formed so large a portion of the sacred services of the Church, will be found most conducive to our advancement in the Divine life; for in them we may find petitions suited to all states and conditions; and promises to cheer under the most overwhelming trials.

The Companion and Devotions, bound together. Price—7s. 6d.

THE PRIESTS' COMPANION IN THE VISITATION OF THE SICK. (By the Rev. W. Dodsworth.) Price—3s. 1 1/2d.

IT may seem rather surprising, but I believe the fact to be so, that no Manual for the Visitation of the Sick has hitherto been published exclusively for the use of the clergyman in private houses, and at the same time containing all the offices of Private Baptism, and Visitation and Communion of the Sick. These are now given in a type larger than usual; which it is believed will contribute to the convenience of the clergy, who have to visit the cottages and rooms of the poor, which are oftentimes so dark as to make a smaller type useless.

To these offices have been added selections, chiefly from Bishops Andrews, Jeremy Taylor, and Wilson, which it is hoped may be found useful in giving point and concentration to the ministrations of the clergy in the discharge of this very difficult part of their duty. For Sale at the Depository of The Church Society of the Diocese of Toronto, No. 5, King-Street West, TORONTO.

ALTHOUGH this Society has mainly in view the intention of enabling members of the Church of England to contribute, by the payment of small periodical sums, towards either the endowment of a Church of England University, (in accordance with the recommendation of His Lordship the Bishop in his recent Pastoral Letter,) or the building and endowment of Churches, Parsonage Houses, and School Houses, in connexion with the Church of England—the Society, nevertheless does not contemplate restricting its operations to those objects only. On the contrary, like other Building Societies, the advantages of the Church of England and Metropolitan Building Society will be fully open to all parties, without distinction, who may choose to take Stock therein, either for investment—the acquisition of freehold or leasehold estate—the removal of incumbrances or liabilities upon property—or the privilege of borrowing the amount of their shares in advance, upon furnishing approved mortgage security.

VAYER'S CHERRY PECTORAL For the Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA and CONSUMPTION

The annals of medical science, affording as they do ample proof of the power and value of many medicinal agents, have furnished no examples to compare with the salutary effects produced by "AYER'S CHERRY PECTORAL."

DR. PERKINS, President Vermont Medical College, one of the most learned and intelligent physicians in the country, considers it a "composition of rare excellence for the cure of that formidable disease, Consumption."

Norwich, April 26, 1846. Dr. J. C. Ayer—Dear Sir:—Agreeable to the request of your agent, we will cheerfully state what we have known of the effects of your CHERRY PECTORAL, and they have been astonishing indeed. Mrs. Betsey Streeter had been afflicted with a severe and relentless cough, which reduced her very low; so low that little hopes could be entertained of her recovery. Numerous remedies had been tried without effect, before the CHERRY PECTORAL. And that has cured her. George Watkinson Esq., had to our knowledge been afflicted with Asthma for eleven years, and grown yearly worse, until the CHERRY PECTORAL has now removed the disease and he is as free from any of its symptoms as we are. The Rev. Mark Dane had been so severely attacked with the Bronchitis, as to disable him from the duties, and nothing had afforded him relief until I (Mr. Thorne) carried him a bottle of your PECTORAL, which cured him at once, and he now officiates as usual in his place.

These are three of the cases in which we have known it successful, but never to fail. We have great pleasure in certifying to these facts; and are, respected sir, your humble servants. REV. DAVID THORNING. HON. JOSEPH BATTLES.

Among the distinguished authorities who have given their names to recommend CHERRY PECTORAL, as the best remedy that is known for the Affections of the Lungs, are "The London Lancet," "Canadian Journal of Medical Science," "Boston Medical and Surgical Journal," "Charleston (S. C.) Medical Review," "New Jersey Medical Reporter," Prof. Bartlett, Transylvania University of Medicine, President Perkins Vermont Medical College, Dr. Valentine Mott, New York City, Parker Cleaveland, Bowdoin College, Prof. Butterfield, W. Loughbly College, Ohio, Prof. Braithwaite, Leeds (Eng.) Medical School, Sir Richard Kane, Queen's College, Ireland, Prof. Rosenbaum, Leipzig.

The public have but to know the virtues and astonishing success of the "CHERRY PECTORAL" in curing diseases of the Lungs, when they will feel secure from these dangers whenever this remedy can be obtained. PREPARED BY J. C. AYER, CHEMIST, LOWEL, MASS. Sold by Lyman & Kneeshaw, Toronto; Hamilton and Kneeshaw, Hamilton; Wm. Lyman & Co., Montreal, Agents for the Canadas.
