in the Northwest has been suppressed and our citizens can now devote reasonable attention to their corns. The only sure, safe, and painless remedy is Putnam's Painless Corn Extractor. A cough or cold taken between now and Christmas frequently lasts all winter. This is certainly the case with people who have weak lungs. The most convenient, reliable and inexpensive remedy is *Johnson's Anodyne Liniment*. It is to be used internally and externally.

COVETOUSNESS IN DISGUISE.—The wonderful success of James Pyle's Pearlina has given rise to a flood of imitations with an "ino" to their names, evidently to have them sound like Pearlina. Enterprises of this sort are quite liable to be more selfish than beneficial.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills.
