

**PARAGRAPHIC.****TO CURE A CORN.**

There is no lack of so-called cures for the common ailment known as corns. The vegetable, animal, and mineral kingdoms have been ransacked for cures. It is a simple matter to remove corns without pain, for if you will go to any druggist or medicine dealer and buy a bottle of Putnam's Painless Corn Extractor and apply it as directed the thing is done. Get 'Putnam's,' and no other.

Experiments are said to have proved that where electric lights have been used in place of oil lamps for lighting the compasses of vessels at night, an incandescent lamp brought close to the compass caused a deflection of the needle.

**CONSUMPTION CURED.**

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

A new double-pointed nail is the invention of an ingenious woman. The points turn in opposite directions. They are especially useful for invisible nailing in woodwork. It is simply two nails joined firmly—the sides of the heads being placed together.

The moral law of the universe is progress. The health of the people depends on the free use of Minard's Liniment; it cures coughs, colds, sore throat, hoarseness, and all aches and pains the human family are subject to.

Some people have an idea that about all religion is for, is to help them to have a good time and be respectable.

C. C. Richards & Co.,

Gents,—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine and recommended Minard's Liniment to be used freely. Three bottles cured her. I have used your Minard's Liniment for a broken breast; it reduced the inflammation and cured me in 10 days. I would recommend it to all ladies who are suffering from the same severe trouble.

Oct. 8th, 1890

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.

No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own mind being stimulated and informed before going to the class in the Sunday-school.
