Three to four bottles are warranted to cure salt rhenm. Five to eight bottles will cure the worst case of scrotuta. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken. Nothing looks so improbable to those who have in vata tried all the wonderful medicines of the day, as that a common weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact. If you have a humor it has to start. There are no in nor ands, hums nor have about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. Where the body is sound it works quite easy; but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encoming of it that ever man listened to. nims of it that ever man listened to.
