OUR ILLUSTRATIONS.

We take pleasure in presenting to our readers this month a splendid specimen of high grade photography from the studio of Frank A. Place, Chicago, one of the best known photographers of the States. These pictures were intended for last month's issue, and had a narrow escape from the fire, having been sent to the binders only a day before. The paper used is The American Aristo Co.'s "Aristo-Platino," and so well is the effect of this paper shown by the illustrations that it is hardly necessary for us to further sing its praises. An interesting letter from Mr. Place will be found on another page. He is a strong advocate of Aristo-Platino.

SPECIAL NOTICE TO ADVERTISERS.

All advertising cuts were lost in the fire. We have only been able to replace a few at short notice, and ask our advertisers to kindly overlook any irregularities or omissions of cuts in their announcements this issue. We should be obliged if our advertisers will kindly send us duplicates of cuts that are found wanting in this issue.
